

**THE COACH HAS A WORD WITH THE TEAM.** Sabres pull it in to listen to rookie coach Craig Weldon at a practise Monday night in the Acton Arena. Weldon has been employing European

training methods during dryland sessions. It will be a challenge to rebuild the Sabres over this season, and if any one can, Weldon will.

# First hunt at Foxbriar

**DECKED OUT** in their hunting pinks, riders get ready to give chase to the fox.

**THE CALL OF THE HUNTSMAN**

The weather would have won no prizes at a fall fair, but last Wednesday afternoon's drizzle dampened the fields at Foxbriar Farms near Ballinacree just enough to make the scent of the fox easier for the hounds to pick up.

Thirty members of the Eglinton and Caledon Hunt Clubs mounted up and gave chase over land covering eight farms in the first ever fox hunt originating from Foxbriar, owned by Bert and Linda Pabst. The Shortill, Sanderson, Sinclair, Hampshire, Woods, Green and Martin farms in the Eighth Line area were also covered in the three hour hunt.

Master of the Hunt was Major Kindersley of Caledon, a veteran of many hunts, who has never let his age (70 plus) curb his enthusiasm for the sport.

Huntsman Brian Walters handled the hounds. There were no kills made. Whipper-in were Jane Walters, Patty Pabst and Bings Wright.

Before the hunt, hunters drank from the traditional stirrup cup in front of the Georgian-style Pabst home. Cindy Kline, a friend of the family served sherry.

Relatives and neighbors joined the hunters for the hunt breakfast in the evening. A chicken with rice first course was followed by tasty lime and strawberry Bavarian cream pie.

Jumps and alterations in fences to allow access for the hounds and horses were arranged by Rod Pabst. Main purpose of the hunt is to promote the sport of riding.

**FISH HOOKS**

Never attempt to pull a fish hook out of the skin, as the barbed hook will lacerate the flesh. Get to medical aid immediately.

**A LOT TO SMILE ABOUT.** Stu McDonald garnered his fourth consecutive Acton Meadows golf championship, 12 strokes ahead of the nearest contender in the 72 hole annual. When engraving this year's plate for the trophy maybe the golf club should have extras made so to save the increased costs from later years.
