# Recreation program on road to recovery

hy Pam Sheldon After getting off to a very poor start, the Speyside Gymnasties program, organized by the Halton Hills Recreation Department, has been reassessed and seems to be on a quick road to recovery. Having endured three weeks of disorganiaztion, we can now feel confident that under the experienced eyes of gymnast. Miss Stephanie Lister, the gymnastics program at Speyside school will be entirely satisfactory to both the child ren and watchful parents alike Stephanie has been in charge of an excellent gymnastics program in Georgetown for the past few years, and so is a well-chosen instructor

Adelight The Speyside school children are to be commended One of the swimming instructors at the Acton pool tells me that this year's Speyside school children have been a delight to teach Seems they've been most polite and attentive, as well as trying hard. When you hear so much about "crummy behaviour" these days, it's nice to know your school's children are thought kindly of when away on school outings Speyside staff, take a bowyou must be doing something

Trip
Happily, the wet weather
held off this past Monday
morning as all the Grades 1 & 2 children, accompanied by their teachers Mrs. Gilmour and Mrs. Pacquette, took a well-planned trip to the Mountaberg Conservation Area. The trip was organized

by the teachers to coincide

with the class studies entitled paring for their annual trip en to the auditorium and treated to a half hour talk and documentary which exlook for which indicate the changing seasons. They were then broken into two groups and taken by borse-drawn
