Rising Flours have risen - opinion

By Dianne Hackney and Julie Pierce

The Dublin North rising flours 4-H club completed their course on bread making. Wednesday November 5. They tried their hand at making a variety of fancy rolls at meeting No. 4. Meeting No. 5 was especially important. They were honored by a visit from the home economist, Mrs. Holding who stayed while they made hamburger patty stacks and cheese puffs.

Julie Pierce "I found it to be informative, interesting and most enjoyable."

Dianne Hackney "I found this course comprehensive and I enjoyed particularly the practical side of the work." Beverly Metheral "I thought it was fun and most interesting."

Marie Parker: Marie was a very good member who found the club very interesting and enjoyable also everything we made was delicious.

Penny Kirton: Penny enjoyed the club and found it to be interesting.

Denis Kirton: Denis enjoyed the food as well as the club itself. We would also like to put a special word in for Denis for being the first boy member in the club and we hope many more will join the 4-H clubs.

It appears that all concerned greatly enjoyed the course and are looking forward to the next club.
