GENERAL ACCOUNTING SUPERVISOR

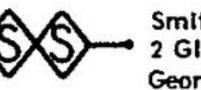

Smith and Stone, a leader in the manufacturing of electrical wiring device and porcelain products, has a current opportunity for a student approaching the completion of either the R.I.A. or C.G.A. programs and possessing several years of manufacturing experience.

Reporting to the Divisional Controller, the Incumbent, through a small staff, would be responsible for the general ledger, accounts payable and fixed asset accounting. Other duties would include exposure to budgeting, forecasting, internal audit, E.D.P. systems and taxation. In that Smith and Stone is a very complex manufacturing operation, a sound knowledge of a standard cost system would be beneficial.
