

Ostrand's LED Push Button Computer Watch

Your space age time machine
for less than a hundred dollars.

At the push of a button, Ostrand's L E D (light emitting diode) push button computer watch tells you everything you need to know about time, in easy-to-read illuminated numerals: the hour, minute, second, day and month.

Contains no moving parts to wear out, lubricate or adjust. Completely silent, and accurate to within one minute per year. Batteries included. One full year warranty.

Ostrand's L E D push button computer watch. It's the most up-to-the-minute time-piece you'll ever own. See it soon at Ostrand's.
