Glen Eden Ski Area may open

Halton skiers this weekend may get their first chance of the season to swoosh down the slopes at Glen Eden Ski Area near Milton.

A spokesman for Halton Region Conservation Authority said Tuesday there would be "limited skiing" Saturday if the weather remains cold.

He said Glen Eden staffers have been making artificial snow for two weeks, and the base was nicely topped off by the few inches of snow which fell early this week.

Skiing enthusiasts may obtain a taped report on the latest conditions at Glen Eden by phoning 878-5333.
