Clear snow off — fire chief

The large amount of snow plaguing the country and town this winter is causing a lot more problems than just the ordinary ones of poor driving conditions and shovelling sidewalks. Acton fire chief Mick Holmes sends out a plea to homeowners to locate the closest fire hydrant to their house and clear the snow away from it. In the time the volunteer firefighters took trying to find the red object under two feet of snow, a building could be burned to the ground. He emphasized that the house "could be your own."

clearing some hydrants, but there are many more out of sight. With more snow expected in the immediate future matters could get worse, he stressed.

China visit

Trinity Activity Group were the guests of Mrs. Iva Knechtel for their January meeting. A short business meeting was conducted by president Dianne Buttl. Dorothy Rognvaldson led the group in worship.

The guest speaker for the evening was Mrs. Knechtel's friend, Mary Brice, from Toronto. Mrs. Brice has just recently returned from an exciting trip to China. She was very impressed with what she saw there, particularly the lack of everyday tensions and pressures. The group found her slides, anecdotes and souvenirs fascinating.

No fee increase

Halton Hills council would not go along with raising the fee for an application to the committee of adjustment from \$50 to \$100.

They refused to endorse a resolution from the Township of Goulbourn seeking an increase.
