Greg Silcock replied once for Tidewater in the third period, too late to overcome Rochester's lead.
Richmond edged Springfield 2-1.

Bantams discover Hespeler rough sail

The Firefighter bantams were jolted 4-1 by Hespeler in OMHA playoffs here Saturday, following the Acton team's smooth sailing over Elmira and Ferguson.
The game was the opening of a best of five series. The two teams, which have never met before, resume action Friday in Hespeler.
In a previous game, the Firefighters dispatched the Elmira team at St. Jacobs 6-1 to take the best of three games, two straight. Ferguson met the same fate earlier in the playoffs.
Hespeler scored just 16 seconds into the game. Bruce

Ellis unleashed the puck for the goal which caught the Firefighter team off the mark. The goal "deflated" the players said team manager John Goy.
Rick Widmont tied the game at 1-1 for Acton from a play started by Charlie Kinal. Acton started to put pressure on Hespeler.
The Firefighters continued to press Hespeler in their end, for two minutes straight. But Hespeler scored the winner on a rush. Ellis scored his second goal of the night.
Hespeler added a goal in the second and third period on plenty of accurate shooting.

The Firefighters had as many shots, and according to Mr. Goy, outplayed the visitors, but they failed to put the puck into the net.
The teams were almost even for penalties with the Firefighters getting 24 plus a game misconduct to the coach Harold Townsley—a penalty which was not explained by the referee said Mr. Goy.
Hespeler collected a 10-minute misconduct and 26 minutes in penalties.
On the extra-wide rink in St. Jacobs the Firefighter bantams had an easy time of it. For the first seven minutes

of play Elmira played well, tying Acton 1-1 on Rod Sittler's goal. The Firefighters, however, took the wind out of their sails with two more goals before the first frame ended.
The Firefighters added two more goals in the second frame, and one late in the third.
Bruce McPhail fired the winning goal from Trevor Gardener and Scott Malcolm. Gardener had already scored the first goal from the same teammates.
Dave McGiloway pulled the trigger once and assisted on a goal by Wade Vickery and McPhail's second.
Team captain Malcolm combined with Steve Vander Eyken to set up Gardener for the game's last goal, late in the third period.
Steve Mitchell played the first two periods in goal, and Chris Sweetman took over in the third.

Sailors fly third flag

Port Colborne Sailors locked up their third OHA Intermediate "A" regular season pennant in a row when they edged Oakville Admirals 4-3 on an overtime goal by Fraser Rice in Oakville Sunday night. Sailors will play Dundas Merchants in an eight point semi-final series.
Georgetown Chrysler Raiders, meanwhile, awaited the outcome of last night's game between Fort Erie and Oakville to see who their first round opponents will be. Raiders and Fort Erie were tied for second with 45 points going into last night's game.
A Fort Erie win or tie would give the Mavericks second place and send them against Thorold, while Raiders get Oakville as a first round opponent. However, a Fort Erie loss would probably mean that Georgetown would play Thorold and Fort Erie would face Oakville.
Quarter-final series are best of five, with the two winners squaring off in a best of five semi-final. No matter who they play, Raiders will have a playoff game at Gordon Alcott Memorial Arena, Friday night at 8.30.

Greenly from McArthur and Rusty Elliott then Tim Ferguson from Jeff McNabb and yet again Mark Duval unassisted.
Tim Shields continued to seal the door to all assaults by would be New Hamburg marks men for two periods. Tim Baker played one period.

Bring your machine in early for Spring Service and we'll make it worth your while. Early Bird Tune-Up

It happens every year, right? Sometime in early March you go out to the garage. You shake the bike. Yeah there's some gas in the tank. You turn her over. She coughs. She wheezes but nothing happens. You curse. You think about the fouled plugs, the gummed up piston rod, the rusty chain and the dead battery. You go back out thinking about getting a tune-up in a couple of weeks.
Trouble is everybody else is doing the same thing so when you get around to it you wait and wait and wait. Well we'd rather have you out and riding and that's why we're going to make it as easy for you as we can.

Or if it's a new Bike you're after!!!!
