... Club president Howard Dwyer said the team is unable to practice at Robert Little school tonight because the March break closed the gym for the week.

The high school, where the team intended to excercise Sundays, wants \$15 per hour for the players to limber up in its gym. Mr. Dwyer said the club is not prepared to pay that

Mr. Dwyer also said he hoped the team would be practising in a Guelph arena next week. Confirmation of an arrangement for space in the Royal City may come tomorrow or Friday, he said.

Lacrosse players who want to try out with the OLA Junior C Rams may call Mr. Dwyer at 853-0436 or club manager Dave McMillan at 853-0642 for the location of the team's practices.

The Rams held a practice in the public school's gym last week. Fourteen players turned out for what one team said was a real practice.
