

# BLACK'S MOVIE SALE!

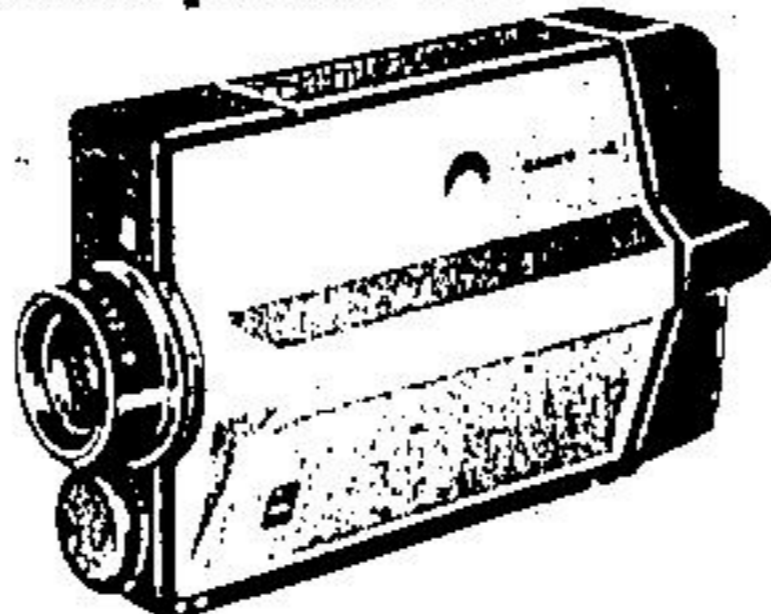

Save on a limited quantity of super 8 movie values! These specials are the ends of model series. Hundreds have been sold at up to 50% or more than prices show. All are fully guaranteed.

## SAVE! KEYSTONE LOW LIGHT MOVIE CAMERA

The Keystone XL 100 has an automatic eye plus an extra large "XL" shutter opening to let you take outdoor movies in sunlight, or indoors in most available light conditions without movie lights. Smooth super 8 film drive.

BLACK'S SALE **39<sup>95</sup>** 12 ONLY!

## PRICE CUT! BAUER STAR "XL" COMPACT MOVIE CAMERA

Extra small and compact, the BAUER Star "XL" is great for taking along to get fantastic super 8 movies. The automatic, through-the-lens electric eye sets the lens openings for you. You view right through the lens to take exactly what you see.

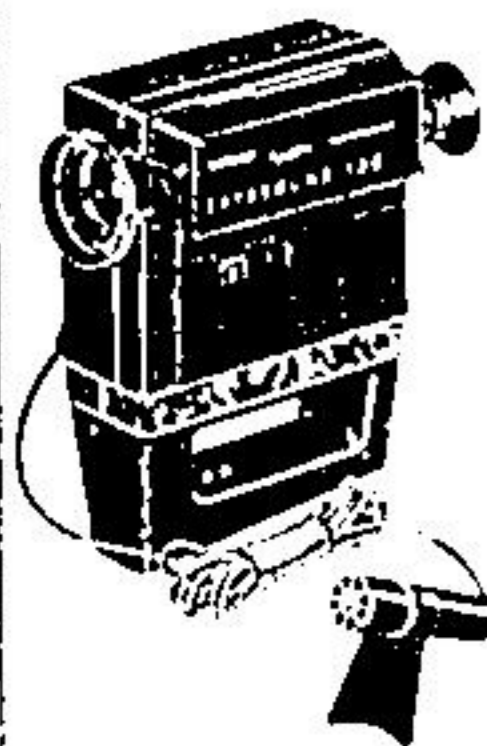

BLACK'S SALE **59<sup>95</sup>** 8 ONLY!

## SAVE 40.00 ROLLEI SL82 POWER ZOOM MOVIE CAMERA

The "SL 82" features a power zoom lens with 4 to 1 ratio, plus an f 1.8 fast lens. Two filming speeds, of 18 and 24 frames per second. Through the lens viewing, plus through the lens automatic electric eye settings.

BLACK'S SALE **79<sup>95</sup>** 5 ONLY!

## SOUND/SALE SAVE 60<sup>00</sup> KODAK 130 SOUND MOVIE CAMERA

Fantastic value! An automatic super 8 movie camera that records the sound simultaneously with its built-in recording system. Uses the special new magnetically striped films, or silent super 8 films if you wish. Auto electric eye sets the lens.

BLACK'S SALE **79<sup>95</sup>** 12 ONLY!

## SOUND SALE! SAVE 70<sup>00</sup> DELUXE KODAK 160 SOUND MOVIE CAMERA

One-step, automatic lip-sync sound movies are yours at the pull of one trigger. Great features include 9 mm to 21mm power zoom lens, coupled, superimposed image rangefinder for accurate focusing, plug-in omnidirectional microphone included.

BLACK'S SALE **79<sup>95</sup>** 12 ONLY!

## SOUND SALE! SAVE 50<sup>00</sup> ELMO 600S SOUND MOVIE CAMERA

An extremely quiet super 8 camera that records the picture and sound automatically at the press of one trigger. Automatic sound recording level control. Built-in sound fader for special effects. Split-image focusing. Just drop in a sound striped super 8 film and shoot great sound (or silent type film) movies. Also features a 6 to 1 power or manual zoom lens. Reflex viewing and auto electric eye.

BLACK'S SALE **89<sup>95</sup>** 5 ONLY!

## SAVE 60<sup>00</sup> BAUER C6 POWER ZOOM SUPER 8

Designed to work with the new high speed films outdoors, or indoors with available light because the "C 6" features the low light type of "XL" shutter. 6 to 1 zoom brings you 6 times closer than its widest angle. 3 filming speeds for low light, normal and slow motion shooting. Reflex viewing and light metering.

**12 ONLY!**  
BLACK'S SALE **179<sup>95</sup>**

## BAUER T 16 SOUND PROJECTOR

Shows silent or magnetically striped super 8 films. Plays back sound recorded at the time of shooting, or record on the film while projecting. "Sound on Sound" for special effects. Built-in speaker. Other features include 600 ft. film capacity, auto. threading to the take-up reel, zoom lens, 18 and 24 frames per second projection speeds.

SAVE 80<sup>00</sup> BLACK'S SALE **169<sup>95</sup>** 2 ONLY!

## ELMO ST 1200 SOUND PROJECTOR

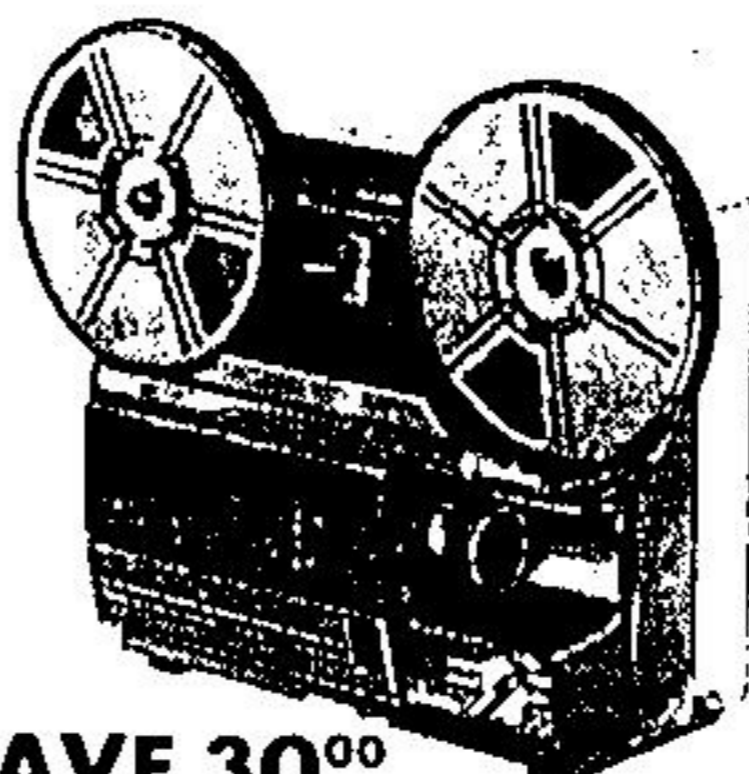

Plays back, and records magnetically striped super 8 films, or shows super 8 silent films. You can "dub" and edit sound efficiently. Dual projection speeds of 18 and 24 frames per second. Fully automatic threading. 13 watts of musical power output. Built-in 5 inch hi-fi speaker. 1200 ft. reel capacity for more than one hour of continuous showing. Fully guaranteed, used "ST 1200" projectors, sold new for 499.95 ea.

BLACK'S SALE **169<sup>95</sup>** 2 ONLY - USED

## GAF. 1372 -Z DUAL 8 PROJECTOR
