# Visit Zoo on wet Sunday

by Mrs. Emily Price  
We had a very good trip to the Metro Zoo on Sunday and in spite of the rain, everyone enjoyed themselves. It didn't dampen anyone's spirits.

We would like to thank all our wonderful helpers who went with us and did such a great job. Also our thanks to Tyler's and the capable driver for doing such a good turn by getting us there and back safely.

Our next outing will be the area club picnic at Eden Mills this Saturday at which time we hope to meet other groups. We are in charge of the afternoon activities and I am sure the group looking after these will appreciate all the help they can get as there are approximately 150 expected. There will be a catered meal, followed by an evening of festivities, including a dance. If the weatherman will

co-operate, it should be a very pleasant time for everyone. In case of rain, the picnic will be held in the hall at the Eden Mills park.

Our next meeting will be on June 29 at the firehall. We welcome new members or anyone interested in giving us a helping hand to help others.
