Spilling the pins

A.C.C. Ladies May 27. It will be Dizzy Dames, Carpet Baggers, Carpet Dusters and Tri-Cats rolling for the "Playoff Championship" and Hazzle Dazzles and Jitter-Bugs toying the foul line for the "Consolation".

At the conclusion of the six game roll to determine the four teams for the "playoff championship" and the two teams for the "consolation" the teams' total pinfall saw Carpet Baggers with 597, Dizzy Dames with 596, Tri-Cats with 593 and Carpet Dusters with 576. For the "consolation", there was very little difference between Jitter-Bugs 549 and Hazzle Dazzles 548. All teams will be carrying this total pinfall in their credit in the final three game roll for the championships.

Water Safety Week is here! Some of you may not have seen the announcement in last week's paper concerning the poster contest, the Red Cross Society and the Halton Hills Recreation Department are having. We need posters of all sizes and shapes.
The one rule is, you must put a water safety rule on the poster, and everyone must know at least one rule. The winners get a free pass to the pool for the entire summer. So get out your crayons and magic markers and get to work. You have until Saturday, to hand them in.
In meet
Halton Hills swim team made a trip to Orangeville on the weekend, to compete in a swim meet. Orangeville came up the winners on overall points, but Acton swimmers came home with a fair share of the ribbons. Julia Mullins, John Vaduka, Mark Bray, Dave Pendergast and Peter McKeown, all received ribbons for placing first, second or third in various events. Acton pool will be hosting the next swim meet against Orangeville on Saturday, June 19, from 1:00 to 4:00 p.m. We need a cheering section, so please come out and watch.
Congratulations!
Two ladies completed their Star 1, in synchro swimming last Wednesday. Shirley McKeown and Margaret Thatcher have been taking lessons Wednesday afternoon since Christmas, during our Ladies Keep Fit session. Congratulations, ladies!
The area schools have been invited to a special Water Safety swim this Friday night and Saturday afternoon. Films will be shown, the life-guards will put on a demonstration, and swimmers can participate at two for the price of one. This special event should prove to be fun and educational for all.
Remember your posters, and start thinking water safety, as summer is near.

Propose \$600 hike

The lot levy on a single family home in Halton Hills urban area could jump from its present \$1450 to \$2050, if council endorses a planning board recommendation.
To plug the gap left by Halton Region turning the collection of the \$600 lot levy for water and sewers over to the municipalities, Morrow came up with a \$1200 amount instead of the existing \$600 for water and sewer. The present Halton Hills levy is \$850 and the Region levy was \$600. Morrow's plan would up the total levy for a single family home by \$600.
Morrow said the town had to stay competitive on lot levies. He claimed the burden of capital costs is higher added to the present taxpayer or added to the cost of the house for the new home owner.
Councillor Les Dudy contended the amount of lot levies should be justified.
Morrow pointed out Planner Mario Venditti is preparing a full report on lot levies, which would include the rural area, not serviced by water and sewers.
Councillor Joe Hurst said
