## Fairview double winner

# Time runs out on Brookville

It always pays to read the rules of the game before you start to play.

Brookville Public School's girls baseball team learned that lesson the hard way Thursday afternoon when the fine print cost them the North Halton public school baseball championship.

Brookville was leading Fairview 14-8 with two out in the bottom half of the third inning when time ran out in the final game.

Under the rules of the

tournament, the final would be four innings or 45 minutes, whichever came first. When the 45 minutes was up the score reverted to the last completed inning, in this case the second. At the end of the second Fairview was leading 7-6. That became the final score and Fairview was the 1976 champion.

Fairview also won the boys' final, defeating Centennial of Georgetown 6-1, with five runs in the third inning.

At the end of the girls' final when it became evident that

Fairview had won, despite being outscored in two of the three innings, Brookville coach Kathy Howden complained she had not heard of the "completed inning" rule.

It was listed on the sheet given to each team however, and the decision stood.

Fairview scored two runs in the first inning and five in the second while Brookville scored all six of its runs in the second.

In the boys' final the score was knotted at 1-1 after one inning but Fairview scored

five runs in the bottom half of the third inning for the victory.

Fairview defeated Brookville 1-0, M.Z. Bennett 4-1 and Stewarttown 4-0 in the preliminary rounds to advance to the final, while Centennial lost to Stewarttown 4-1, but beat Martin St. 5-0 and Brookville 6-0 in the semi-final.

In the girls' section, Fairview beat Bennett 10-1, Brookville 6-1 and Centennial 3-2 while Brookville beat Bennett 14-1 and Stewarttown 6-5 before the final.
