Last year we outgrew our premises, the decision was not shall we expand, but geographically how to expand. So much of our business was coming from the friendly folks of Acton, Georgetown and surrounding areas. Ours now became a decision of building three small carpet outlets, or one huge modern carpet complex. The decision was made that we could best serve you with the latter. Thus we now have one of the largest most modern carpet and flooring facilities in all of Ontario.

We display over 150,000 sq. yds. of beautiful carpet and flooring, all priced at low competitive prices.

Staffed by competent qualified carpet people who are ready and willing to assist in helping you make the proper choice in carpet and flooring. We at Syers Carpet give special attention to such things as immediate delivery, prompt installation; to all our customers in Acton and area, for after all you give us a little special attention by coming to us to choose your carpet.

**FOR THIS WE ARE APPRECIATIVE AND WE**

**Thank You**
