NOTICE OF MEETING

The Commission to Review Proposals **Property Tax Reform in Ontario**

A public meeting for residents of the Regional Municipalities of Halton and Peel will be held on August 26, 1976 at 10 a.m. to 12:30 p.m., 2 p.m. to 4:30 p.m., 7 p.m. to 9:30 p.m. and on August 27, 1976 at 10 a.m. to 12:30 p.m., 2 p.m. to 4:30 p.m. at Brampton Centennial School Cafetorium, 251 McMurchy Street South, Brampton, to receive submissions, both oral and written, from local government representatives, property taxpayers and all other interested parties, concerning the proposals: that have been put forward by the Government of Ontario as a means of establishing a new system of property taxation based on market value assessment.

This meeting is one of a series which the Commission is conducting throughout Ontario this summer and fall, before submitting its recommendations to the government.

The proposals, originally published in the 1976 Ontario Budget, Budget Paper E. entitled Reform of Property Taxation in Ontario, are as follows:

- Residences in Ontario, collectively. will bear a reduced chare of property taxos
- 2. Residential property will be redefined. to include only residences and a reaccogable amount of land
- 3. The present practice of leaving different mill rates on residential and commercial properties will be descentinued
- 4 Farmland, farm buildings, managed. forests and farm residences will be assessed at market value. Farmland, farm buildings and managed forests will be taxed at 100 percent of market. value and the takes will be paid by the Province Farm residences will be taxed as all other residences at 50 percent of market value and the taxes will be paid by the owner. There will be provision to recover taxes paid by the
- Province if the property changes use 5. All real properly used for the purpose of a business including government administrative facilities will be subject to an additional assessment of 50 percent of market value for business laxes
- 6 All public properly except residences. will be subject to payments in lieu of taxes equal to full taxes at 100 percent. of market value. Public residences will be subject to payments in lieu of taxes equivalent to full taxes at 50 percent of market value. Public utilities will be subject to business assessment at 50 percent of market value.
- 7. As is the present case, churches, cemetenes, and properly held in trust for a band or body of Indians will be exempt. All other presently exempt. properly will be taxed at 100 percent

- of market value, except residences which will be taxed at 50 percent of market value
- 8 A uniform method of phasing-in the new lax system over a period of up to live years will be available to prevent abrupt lax changes.
- 9 "Assessment rolls will be returned and enumeration will be performed every two years to coincide with local government elections
- 40 Assessment on provincial government property will be publed and assigned between the public and separate elementary schools in the same proportion as the taxable assessment assigned by the owners and or cupants of residences.
- 11 Costs shared among municipalities will be shared on the basis of the assessment on which taxes and payments in lieu of taxes are based. .
- 12. Where assessment is to be used to determine the grant to be paid to a municipality, the assessment used will be the assessment on which taxes and payments in lieu of taxes are based.
- 13 The provisions of The Assessment Act will apply to the assessment of all real properly in Ontario, including areas without municipal organizations.
- Public bodies which receive provincial grants, such as school boards, will be allowed to include their property tax payments as allowable expenses for grant purposes.
- 15 Ontario's property tax credits which relate property taxes to the ability to pay will, if necessary, he strengthened upon implementation of the new system.

Copies of Budget Paper E containing background and explanatory information, in addition to the proposals themselves, may be obtained, free of charge, from regional assessment offices or from Mr. Lawrence Close, Executive Secretary, Commission on Properly Tax Reform, Fifth Floor, Frost Building South, Oueen's Park, Toronto M7A 1Y7, telephone (416) 965-1671. If you plan to appear and present a written or oral submission, please notify Mr. Close in advance, by letter or telephone. We would also appreciate receiving one copy of any written submission, prior to the meeting.

Since the purpose of these meetings is to help ensure that the new taxation system is implemented in an efficient and equitable manner, the Commission hopes that all Ontario residents with opinions and suggestions to offer will manage to make their representations to us.
