Printers out of sight but busy all the time

The regional print shop is situated in an inconspicuous corner of Halton Region's Headquarters Building in Burlington. There's no sign over the door and visitors to the building would never know what goes on there. Most would never guess the downstairs print shop is even remotely related to regional office which occupy all of the third and fourth floors in the building.

BAHA'I FAITH
"We may think of science as one wing and religion as the other a bird needs two wings for flight, one alone would be useless. Any religion that contradicts science or that is opposed to it is only ignorance—for ignorance is the opposite of knowledge."
