DURAL PRODUCTS

Mr. Peter Cripps

Peter loves to talk to people about his products and demonstrate how good they are. Let him show you how and where to use adhesives for quality results. Peter will also show and demonstrate his line of Latex Paints and stains. Quality at economical prices.

CARAVELLE CARPETS

Comfort Begins with Broadloom

Mr. Frank Todd

Frank has had many years in the carpet business and will be offering his experience and advice to you. If you want to learn something about carpets then Frank is the man you should talk to. He is also offering some great savings on carpeting. Drop in and ask Frank about his "Home Show" Specials.

On Friday and Saturday, Frank will be demonstrating the installation of rubber backed carpet.

Milton's first Home Show is more than a do-it-yourselfer's delight. It's a celebration too. And we wanted to do something special for the grand opening of our new 6,000 square foot showroom, just as we wanted you to participate with us in marking our 16th anniversary.

That's why we want you to be sure to come . . . to see the tremendous range of supplies available to make improvements around your home so simple . . . and to help us celebrate.

It's 16 years since we turned the sod for our first building, 16 active years in which we've grown with the town, extended our stock and kept pace with changing markets. We won't bore you with a summary of all the building additions but our latest is something we're quite proud of. Come and see it for yourself, or visit us again. We're here to serve you better. There won't be any formal ceremonies, just an opportunity to get the kind of information we think you're most interested in plus an opportunity to meet friends, chat, or just say "hello".

Home Show '76 is the kind of special event we've put together with you in mind. Certainly there will be prizes. . . one every hour. . . plus those helpful displays and demonstrations. Make a point now to come out. See for yourself the changes at Copeland Lumber. It won't be a complete celebration without you.
