DO-IT-YOURSELF TILE DEMO
with **crystal** the beautiful ceramic tile

Professional results with real ceramic tile are yours when you learn how easy it is at our store demonstration. You'll see how to apply adhesives properly, fit tiles to intricate corners, and wind up with the most beautiful bathroom or kitchen in your area. **crystal** gives ease of application, colors, textures, and decoration in sparkling ceramics. See how at Home Show '76.

Crystal Ceramic Tile

We will show you how easy it is to add the rich warm look of brick to your home.
