Junior Fun Day for Trail Riders Sunday

A rush of Indian summer weather greeted Rockwood Trail Riders Juniors as they arrived at the Dales farm Rockwood on Sunday for the annual Junior Fun Day.

Some 30 contestants galloped and trotted through obstacle races, musical stalls and sack races. All members are encouraged to enter as many of the classes as possible. Fathers helped little ones and even led ponies through obstacle courses while the young rider clung to the saddle horn. Ribbons were awarded freely and organizers made sure no one went home without one. The lead-line class attracted most spectator interest, the average age of the wee equestrians being two and three years of age.

The day was organized by Di Linblad and judged by Bob Smith, Paul and Pat Thompson, Shelley Cooper, Patrick and Erica Barr assisted in the ring. Anne Dales was announcer.

Eden Mills

Anniversary fills hall

By Mrs. Georgina Wright
 Eden Mills Community Hall was filled to capacity on Saturday evening when Mr. and Mrs. Darbey celebrated their 25th wedding anniversary. Mr. and Mrs. Darbey and family now live in Minden, but were residents of this district for years. The ladies of the U.C.W. of the United Church catered to a buffet-lunch. Dancing brought the happy evening to a close.

Personals
 Mr. and Mrs. Harold Thomson and Mr. and Mrs. Ed Parker have returned home after attending a Navy Veterans' Reunion in Vancouver. On the way home they visited Mr. and Mrs.

Hortop Mill opening

Eramosa township council hopes families will use the official opening and dedication of plaque of the Hortop Mill to their advantage and enjoy a nice picnic on the grounds on Sunday.

The Mill located at Everton recently was restored due to a special committee formed by councillor John Hewitt and private residents of the township. A Local Initiative

Program grant was obtained, and work commenced.

This Sunday is the official opening of the historic site. Dignitaries from the Ontario government, members of the Eramosa township council, and other representatives of local groups will be on hand. All are welcome, and encouraged to make a day of it by bringing their lunches.

Excess traffic

Eden Mills Trustees have sent a letter to Eramosa township council requesting Wellington county to budget for necessary repairs to a bridge.

The trustees claim the damage is due to the excess traffic going over the bridge when a detour around Rockwood was in effect for water and sewer construction. The council forwarded the letter on to the county engineer.

WHAT AN OBSTACLE! Park your horse, then slide through a table, grab the wheelbarrow and try to win first place ribbon in the obstacle race at the Rockwood Trail Riders Junior Fun Day.
