

Crafts group plans show

The Acton Arts and Crafts group held their first meeting of the season on Tuesday, September 14, at the home of Jean Denny, Fourth Line, when plans were made for the forthcoming seventh annual exhibition and sale to be held on Saturday, October 30, at St. Alban's Parish Hall. Members hope to welcome both old and new friends at that time and an interesting show will have many new items.

In June several members of the group went to Toronto and visited the Ontario Craft Council's Resource Centre and also the Art Gallery of Ontario and the Grange.

Bingo at home

There are hundreds of bingo fans in the district, and L'Arche Auxiliary has now made arrangements to enable them to play bingo at home.

And they can help the mentally retarded, too.

The auxiliary has made arrangements for people to obtain bingo cards in town and then tune in to CHCH TV, channel 11, Saturdays from 6:30 to 7 p.m.

Bingo cards are available at C. K. Browne's store, Main N.; Ed's In and Out variety, Main S.; Elsie Syme's Flower Shop on Mill and Halton Hills Furniture and Appliances.

Any other store or outlet interested in stocking cards for the Auxiliary is asked to phone Gail Ferguson at 853-0995.

Mrs. Hansen read a chapter from Peter Marshall's book, Mrs. Jones Meet The Master, entitled "The Touch on the Shoulder" which told about Rev. Marshall's early life and call to the ministry.

Director wins most domestic class points

A fair board lady director for over 20 years, Mrs. C. Storey won the championship for most points in the domestic science classes this year. It was the first time she won the top award, although she has been entering her baking for years.

She received a beautiful floral centerpiece from the ladies' board, the huge red

rosette signifying first, 25 lbs. flour, 15 lbs. of shortening and \$5 for various specials. She totalled 16 firsts, four seconds and four thirds.

She was on duty at the fair from Wednesday on, but managed time to get her baking done.

E. B. Toner of Toronto isn't happy about his fuel bills, but he hasn't added insulation.

Last winter, this Toronto house cost E.B. Toner \$408 to heat.

Mayo Muir of Toronto now has six inches of insulation in her attic. She's saving energy and money.

Last winter, this Toronto house cost Mayo Muir only \$305 to heat.

Why the difference? Insulation.
These days it's one of the best investments you can make.

Keeping the heat in helps to conserve Canada's dwindling energy reserves. And cuts your fuel bills. Add insulation, caulking, weather-stripping and storms. Have your furnace tuned for peak efficiency. Keep a light hand on the thermostat.

You'll save money for yourself, and help Canada to conserve energy and fight inflation. No wonder insulation is one of the best investments you can make. Remember, too, that many insulation products are now exempt from Federal sales tax.
