# Attendance records

ings of Halton Hills sub- fairly respectable attendance sidiary planning board has resulted in considerable debate around the council table at recent meetings. In fact attendance has been

so bad council has decided instead of waiting a week until the next meeting of council to pass the minutes planning board decisions will be dealt with immediately following completion of the committee meeting. Since all councillors sit on planning board and should be in attendance it is felt planning board decisions can be passed by council right away.

This newspaper obtained from Halton Hills clerks department this week attendance records for all council meetings, planning board, works, general administration and finance, personnel committee meetings held from the birth of Halton Hills in January 1974 until the end of last month.

The figures indicate that all

Poor attendance at meet- councillors have compiled records considering the large number of meetings and the fact councillors are often absent due to illness, work and business commitments, and are away taking care of other municipal business.

The figures show the large number of meelings attended by elected officials.

## Evolution

Evolution from the monkey's point of view. Three monkeys sat in a coconut tree, Discussing things as they're said to be, Said one to the other, now listen you two, There's a certain rumour that can't be true. That man descended from our noble race The very idea! It's a dire disgrace.

No monkey ever deserted his wife, Starved her baby and ruined her life, And you've never known a mother monk To leave her babies with other to bunk, Or pass them on from one to another. Till they hardly know who is their mother.

Here's another thing a monk won't do, Go out at night and get in a stew Or use a gun or club or knife To take another monkey's life. Yes, man descended, the ornery cuss, But brother he didn't descend from us! (Contributed)

KAREN HILFMAN was on hand at the John Deere Country Mart open house Saturday afternoon to show customers the new arrivals of snowmobiles. The day was tagged Fever".
