

Three squeakers open industrial hockey

Three close games marked the start of industrial league hockey Sunday.

Blow Press edged Hellers 5-4; Van's Welding nipped Ken's Auto 8-6; Lakeview Centre slipped by Station Hotel 6-5.

Hellers led throughout the game and withstood Blow Press pressure of three goals in the last period.

Dan Hillier scored the winner from Cyril Rees after Hellers scored twice in the first two periods.

Other Heller marksmen were Cecil Stuckless with the first goal of the new season from Steve Bennett plus another from Gord Colton and Rees. Rees also assisted on Colton's goal. Bennett notched Heller's fourth with no help.

Blow Press shooters were John Kavanagh with two, John Mason and Pete Morrison assisted on Kavanagh's first goal. Mason later added a pair of his own. Morrison earned his second assist on one of them.

Terry Cole from Eric Stone broke a 6-6 tie at the 6:10 mark of the third, and Stone from Bruce MacPherson added an insurance marker to give Vans' their first win of the season.

Vans jumped into a 3-0 lead half way through the first period. Keith Osmond opened the scoring from Stone. Then Floyd Hillier banged in two-thirds of his hatrick. The first came from Tim McIntyre and Ernie Waller. The second came from Dave Morris.

Kens replied with a pair of unassisted efforts by Jack Gudgeon.

Vans went to 5-2 when McIntyre connected from

Hillers which was quickly followed by MacPherson from Stone again.

Ken Slaney replied to make it 5-3 when Mike Miller and Evan Hunter helped him.

Hillier struck again, from Morris, but Kens' fired three straight.

Bill Fabian let loose two goals from Gudgeon then Miller from Hayler made even at the 17:50 mark of the second.

Lakeview rallied in the third period with four goals to edge Station Hotel 6-5 on Ron Mellon's unassisted winning goal.

Mellon evened the score for Lakers from Bob Jarrett with less than two minutes to play.

Lorne Gordon scored his second goal for Lakers, from

Fred Crawford, in the third. Larry Kistener combined with Wayne DeForest and Steve Townsley for Laker's other marker in the final period.

Lakeview's second goal came off Townsley's stick from Kistner.

Jim Haggart led Station with a hatrick. The first goal came from Jim MacDonald and Bruce Cooksley. The second was from MacDonald again and the third from Rus Masales.

Cooksley rifled Station's first goal from Carl Reed, to tie the score at 1-1 in the opening period.

Masales finished Station's scoring from MacDonald and MacDougall.

Mohawk pays on long-shot

All 4,922 patrons at Mohawk Raceway in Campbellville Sunday night got a bonus—a free ticket to come back again at a later date.

Ontario Jockey Club officials, promoting a \$50,000 Ontario Sires Stakes Race as the main event on Sunday evening's card, glibly issued a "guarantee" that fans would witness a two-minute mile that night.

"If a 'miracle mile' does not occur, all those present will receive free tickets entitling them to a free grandstand admission to the track at a later date," said publicity department spokesman Herman Burghouts.

No horse did the mile in a flat two minutes—the closest was 2:03—so Mohawk had to pay off on its long-shot and all the bettors went home happy.

TWO TIME U.S. Nationals pairs champions. Melissa Militano and Johnny Johns are headliners in this year's Ice Capades, which come to Toronto next month.

4-H girls make fruit dessert

The third meeting of the Dublin North Hairy Berries was held on Wednesday Oct. 13 at 7 p.m. at the home of Susie Bahr.

and many wanted second helpings. Penny Kirton officially closed the meeting.

Library site

By unanimous vote, and little discussion, Halton Hills council agreed to dedicate up to two acres of land on the hilly part of Cedarvale Park to the Halton Hills Library Board, as the site of a new library.

Jackie Burns began the meeting by reading her notes for meeting No. 2. After that we all went into the kitchen to prepare our snack so it would be ready at the end of the meeting. Penny Kirton demonstrated how to make Raspberry Bavarian Cream. She showed us how to drain the juice from the raspberries and how to add the Jello powder into the juice which she boiled.

We then put that in the refrigerator to let it chill while we continued with the meeting.

We started the discussion part of the meeting by talking about the roll call. We showed our labels (off cans) and told what information they gave us, (grade, quality, weight, etc.) Later in the meeting we talked about frozen fruits, canned fruits, and dried fruits.

We then tasted different dried fruits (peaches, pears, prunes, apricots and apples). We also discussed what salad we would make for one of the meetings.

Later we talked about achievement day and told the new members what it was about. We then had our snack, Raspberry Bavarian Cream. All the members enjoyed it

Rec. report puzzles Hyde

The wording in the recreation department's statement of philosophy and objectives is puzzling to Councillor Ern Hyde.

He suggested it be put in plain language.

Councillor Pat McKenzie said almost anything can be read into the report. "Now maybe is the time to look at recreation, maybe it's costing too much."

McKenzie said the salaries for Acton workers in 1973 totalled \$24,000 and now total \$63,000. He said if events at the arena become too costly the ordinary person cannot afford them.

Councillor Les Duby said the recreation department must have a policy to work to, and pointed out council deals with matters as they come up.

Synchronized club heading for Quebec

Seventeen girls from Halton Hills' Synchronized Swimming Club will bus to Hull, Quebec Saturday in the second half of an exchange that started last year.

The Hull team, which started the exchange by travelling to here, will receive the local swimmers with a banquet dinner.

Judy Paterson heads the team which includes: Cathy Evans, Renate Brillinger, Sylvia Sheke, Elizabeth Moore, Sharon Vos, Sharon Campbell, Sharon Cook, Jenny Flinders, Beth Green, Caroline Thatcher, Debbie Geberlein, Liz Cooper, Cathy Ashley, Lynn Virag and Anne Pickering.

\$427 raised.

Funds for the trip across the province were raised during the September 25th synchrothon, which was also organized by Mrs. Paterson. Part of the \$427 goes to the trip, the rest to extra bathing suits, and a ground for the electrical system at the Acton Pool.

During the synchrothon, Sharon Cook raised \$102.30 in pledges, or about a quarter of the total.

Ontario wants to help you make the most of your Community Arena.

Community centres are the heart of the social, cultural and recreational life of many places in Ontario.

They have been built by people in the community who have contributed their money and their labour and they are one place that everyone can share equally.

Unfortunately, not all these centres were built to the same construction standards. Modern engineering studies have shown that some of them contain dangerous flaws which must be corrected immediately.

Happily, Ontario is able to help municipalities to do this with extra money from both the Community Recreation Centres Act and Wintario. In most cases, the people in the community need to raise only 25 per cent themselves.

Because we know some arenas are too old or too costly to fix up, we are also ready to work out a plan to help municipalities to build new ones.

If you would like to know how Ontario can help to fix up your community centre or build a new one, write to:
