The sewers and water hookup in Rockwood will be ready for use in December, 1977, according to a representative of the Ministry of the Environment.

Nazar A. Ahmed attended Eramosa Township Council Monday evening and told the members there were three separate contracts allotted for the project. The first one was the sewers and water contract, which is almost completed, he said. The second is the pump house contract and the third is the pipeline contract, which will soon be going to tender.

BROWNIES finishing up their lunch with apples are Kylie Tomlinson, Valerie Galley, Kristen English, Leslie Rockola, Carol Meadows and Kelly Hamilton.

The fall season for the Unit One members of the Rockwood United Church women, began with a Thanksgiving meeting at the home of Mrs. Florence Trousdale.

Mrs. Lois Tosh opened the program with 'Whisper a Prayer." The president Mrs. Trousdale led in prayer reminding the members "We are in God's Hands".

Following the short business session, the theme of thankfulness extended into the roll call, for each member stated her special reason for gratitude.

"Don't wait until Thanksgiving to thank God for all His blessings" said Mrs. Jessie Dunk". Make it a daily habit to express your thanks for He blesses you daily."" Following this in-
