Businesses, guest house require zone changes

In a lengthy meeting of Erin Township council, several applications for re-zoning property were brought forward, mostly in the Ospringe area.

George Allan Grundy wants a severance of a portion of his property with the intention of re-zoning. Sale of new furniture and appliances, as has been carried on, are an infraction of the by-law in an agricultural zone.

Mr. Grey from Union Carbide, and Mr. Quinn, solicitor, spoke to council about property owned by Mrs. Mulner, lot 10, Con. 9, on the 10th sideroad. The company has made an offer to purchase 76 acres for the purpose of conducting training courses, and requested council's approval and support to use the property the way they have in mind.

A request was received asking for the upkeep of North Erin Cemetery, on lot 31 of the town line. Council agreed to help in this problem.

meeting with a request for the township to pass a resolution supporting the re-zoning of part of lot 16 and 17, con. 10, to light industry. This is 20 acres of the Thompson property, with 700 ft. frontage. Council does not oppose or object to the re-zoning, subject to the approval of the surrounding neighbours.

Erin clerk to resign Dec. 31

Elmer McKinnon announced his formal resignation as Clerk Administrator of Erin Township, before council Monday evening, to take effect Dec. 31, 1976. Meanwhile, Deputy Clerk Clive Beardwood is very capably taking a firm hold on the reins.

Reeve Donald Matheson announced his intentions to let his name stand in the forthcoming election on Dec. 6. He praised council members as excellent men to work with, saying he has enjoyed his term of office.

Hairy Berries hold last meeting of unit

By Julie Pierce The seventh and last meeting of the Dublin North Hairy Berries was held on Wednesday, October 27 at the home of Penny Kirtan. Susie Bahr took the collection. We discussed the roll call. Mrs. Hunter read about fondues, fruit platter for a fondue, party fruits, garnishes and accompaniments, also fruit arrangement. We learned a lot from this.

charts. Each member had four fruits to look up and get information about. Mrs. Hunter also quizzed us about the Canada Food Guide.

Later in the meeting we prepared our snack. Mona Tonelli whipped up an egg white and mixed up a bit of water with it. Mrs. Hunter then dipped grapes into the substance and then into some sugar. We also had some banana muffins which were delicious. The meeting was finished by everyone finishing their cover for their record book.

This Club, "Featuring Fruits" was very successful and I would like to thank Mrs. Hunter and Mrs. Dodds who put in a lot of work and patience in this club. All the members greatly enjoyed it. I would also like to thank the Women's Institute who helped make this club possible.
