CEREMONIES**

FREE DRAW TICKET TO EVERY PERSON ATTENDING OUR OPENING!

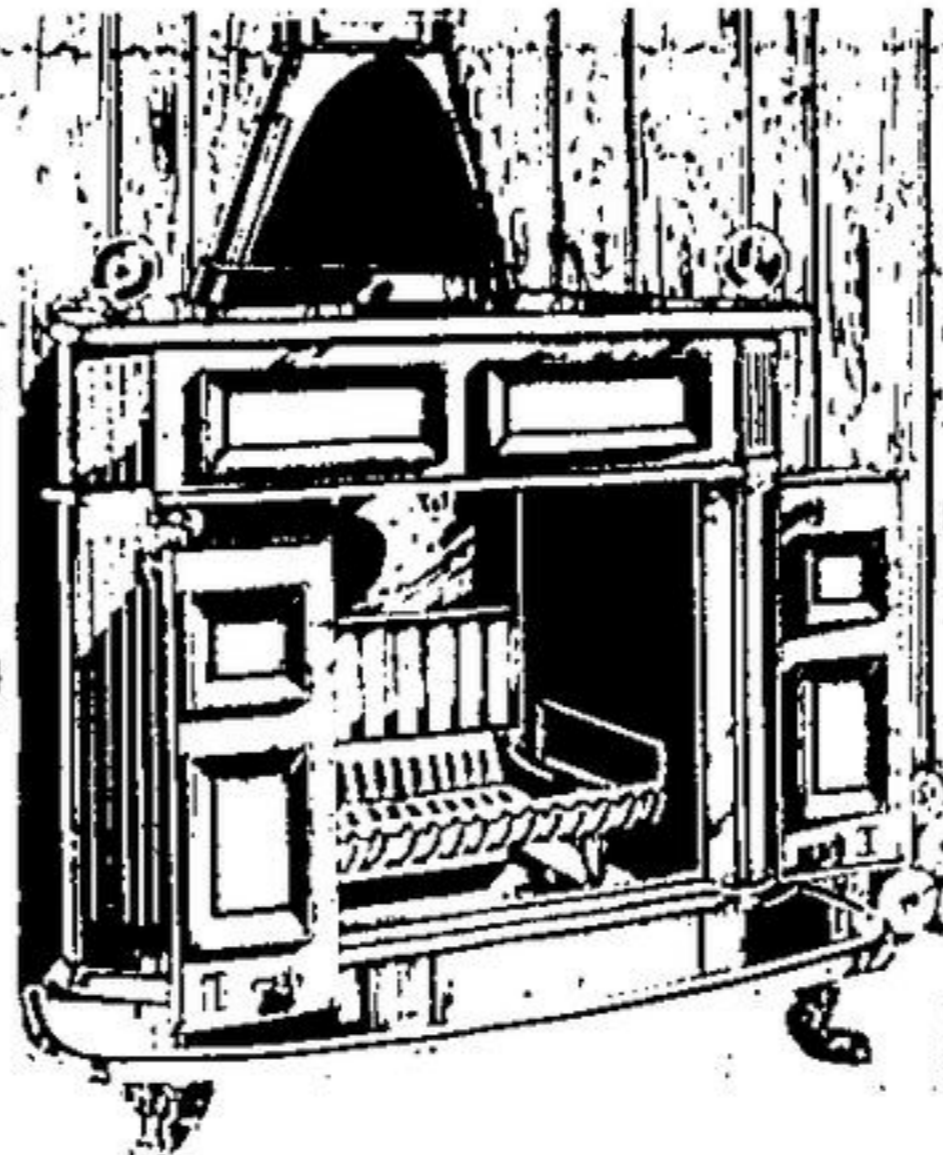

1st DRAW DEC. 2

On our opening day we would like to see a customer with this 225 AMP FORNEY Welder. It can be used for light sheet metal welding and comes complete with accessories. Come in and enter our draw.

2nd DRAW DEC. 3

On the second day we're having a draw for a solid wood student's desk that's ready for staining or painting. Come in and help us celebrate - and maybe win a desk!

3rd DRAW DEC. 4

Wouldn't you just love to have this authentic Franklin fireplace? Well it could be yours the third and final day of our Grand Opening. Everyone has a chance to win!

BUILDERS AND CONTRACTORS ENQUIRIES WELCOME

**INCA USED
Z-BRICK**
SPECIAL **4¹⁹**
PKG.

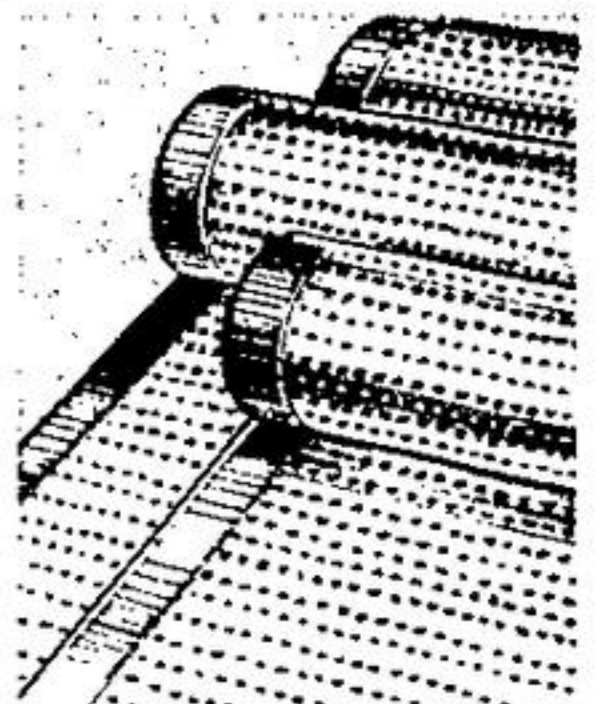

Decorative, durable Z-Brick wall coverings are safe to use indoors or out. They're weatherproof, fire safe, economical and a snap to apply. They're made of a genuine mineral, non-ceramic building material - not plastic or plaster so the look is truly authentic and distinctive. Many square-cut and irregular shapes in assorted colors. Mix them, match them your own way! See them at the new Hespeler Home Centre.

Pittsburgh Paint 695 per gal.
Doesn't your home deserve Pittsburgh Quality... at this great CO-OP price! Pittsburgh Interior Latex White for that professionally painted look you'll be proud of. Hurry while quantities last!

Stipple 1/2" ceiling tile 19¢ each

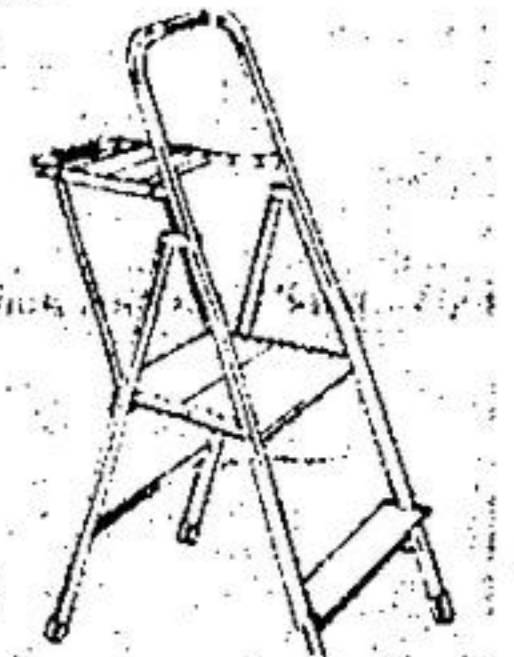

Plastic vinyl runners 69¢ ft.

Save that expensive carpeting with economical vinyl runners. Great for doorways, stairs or hallways. Transparent colors - see them at your CO-OP.

**GRAND OPENING
SPECIAL
\$500
FEED
DISCOUNT**

per ton on all Co-Op Quality Feeds ordered during our Grand Opening (Dec. 2-4, 1976) and delivered during the following week (Dec. 6-11, 1976).

Platform ladder 1995 ea.
Sturdy 4 1/2 ft. aluminum ladder is ideal for use around the house. Has non-mar rubber feet - folds flat for convenient storing. Provides maximum strength and minimum weight. 580-040

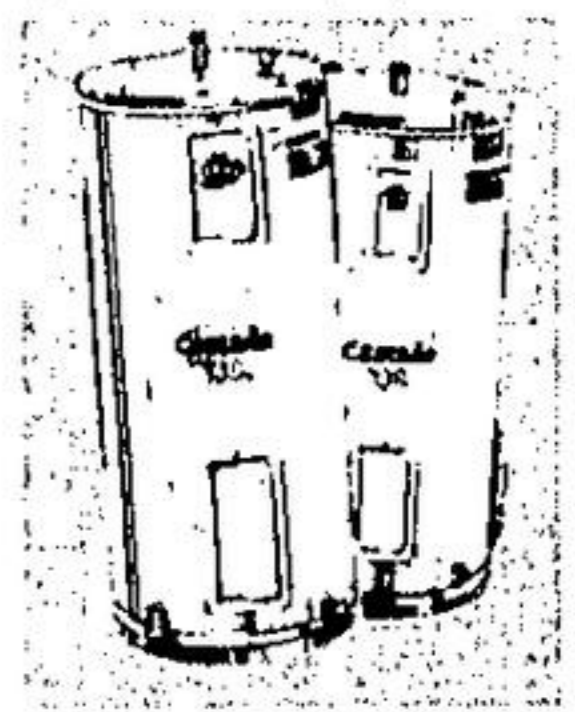

NMD 7-14/2 ELECTRICAL WIRE 9¢ per foot
Non-metallic sheathed cable. Conductor wires are insulated with polyvinyl chloride compound, and wrapped with moisture resistant paper covered overall with a strong textile braid which holds conductors and ground wires firmly together.

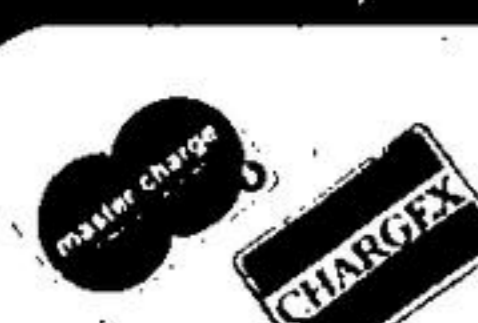

Bovadine 720 1 gallon
Bovadine germicidal test dip aids in controlling mastitis. Contains glycerine. One gallon size. 206-131

Whirl cleaner 2695 30 lb
Heavy-duty, non-foaming pipeline cleaner. Rinses freely and leaves lines clear. High alkaline content. Concentrated. 592-046

Fully automatic Cascade "40" 95⁸⁸
Heats 40 Imperial gallons 3000 watt upper. 3000 watt lower elements. Withstands test pressure of 300 lbs. Safety cut-off switch prevents over-heating. Measures 50" x 22" overall. 566-797
