H CTR-38. Portable cassette recorder with AM/FM radio. Lets you record off-the-air as you listen or you can make live recordings with the sensitive, built-in condenser mike. You can also play your favourite pre-recorded cassette tapes. Plays on batteries or AC power. AC cord incl'd. 14-838..... 99.95

I Minisette IV. Here's a super-modern, pint-sized cassette recorder with AM/FM radio. Lets you record off-the-air, as you listen or tape 'live' with sensitive, built-in condenser mike. Battery-saving 'sleep function' lets you fall asleep to music and shuts off radio or tape automatically. Perfectly portable with a handy wrist strap. 14-831..... 99.95

J CTR-30B. Get total 'tape anywhere' convenience with this upright model that's all tape recorder. Has cue/review feature for finding specific tape portions rapidly and audibly. Sensitive built-in condenser mike. Auto-level for even-volume recordings and a large speaker for good sound reproduction. With AC cord. 14-836..... 89.95

K CTR-21. AC/DC portable tape recorder with cue/review; lets you locate a specific pre-recorder section rapidly and audibly. Also features a digital counter which lets you jot down an important area for future reference. Has Auto-Level for even-volume recordings. Sensitive built-in condenser mike. With AC power cord. 14-827..... 79.95

L 8-track tape car caddy. Fits securely on floor or over transmission hump. Holds 20 tapes. 44-680..... 15.95

M 8-track tape case. Holds up to 24 tapes. Cushioned red velour interior. Locks for added protection. 44-660..... 12.95

N Cassette tape case. As above. Carries 24 cassette tapes. 44-661..... 11.95

O Cassette tape case. Holds up to 15 cassettes in a protective case. 44-685..... 4.29

P 8-track tape case. Has carrying handle for portability. Holds 12 tapes. 44-664..... 4.49

Q Universal carrying case for 8-track and cassettes. Holds 24 8-tracks or 24 cassettes. Heavily padded attache case design. Plush velour interior. Locks for safety. 44-671..... 17.95
