BUSINESSMEN!

Have you heard about Radio Shack's new Employee Incentive Program?

After having received many requests from Canadian businesses, Radio Shack has developed a new Employee or Salesman Incentive Program, based on dollar value certificates. Your company receives a discount on these certificates, based on the amount purchased. There are 164 pages of exciting items to choose from, in our new 1977 catalogue, and copies can be made available to your employees. Employee Incentive Programs do work to increase your production or sales. We feel that ours will be extremely effective in achieving this goal for you. Ask about it at any Radio Shack store.
