## Novel ideas for Christmas giving

**A Metal Detector.** Locates coins, artifacts, relics, jewellery and other metal objects. Light compact design. Highly sensitive electronics. Stem adjusts up to 27" long. Great for finding lost items at the beach or even in the snow.  
60-3003..... 19.95

**B Road Patrol helmet** with siren and flashing light. Great fun plus an excellent play helmet for young cyclists. Operates on two C-cell batteries.  
60-3004..... 6.95

**C Handy-Dandy Pencil Sharpener** works on three 'D' cell batteries. Gives a fine point every time. Push pencil into opening and it automatically sharpens pencil. Comes with extra blade.  
81-2796..... 6.99

Batteries not included with items on pages 28 & 29
