

Santa letters keep on coming

Amidst the rush at the North Pole, Santa Claus still finds time to read and answer letters from youngsters. Here are a few he sent us for publication.

Dec. 10th 1976

Dear Santa,
How are you? Tracy & I have been good this year. Are you going to bring Santa Mouse again? I'll leave some cheese for him.

If you can, please bring me Jamie Sommers, and new clothes, a new bike, Tracy would like a new Dolly, and the Hub-Bubs.

Thank you very much, very much Santa - your elves too.

Kim and Tracy
P.S. I colored a picture of you on the other side.

SANTA CLAUS was glad to see that many young children drew him pictures and sent them to him. Old Saint Nick thought this picture, drawn by an Acton youngster, would look good in the paper.

Dear Santa Claus,

Here is my wish that I grant from you. Your my dearest friend so true. I do believe you. I know your little helpers work so hard to get ready for Christmas. When you come I'm going to leave you some milk and cookies. I hope you like them but you better not make a noise or I'll wake and see my toys. If there not their I'll know that you have not come yet. I hope Rudolph is not sick. Santa Claus I'm 8 years old. Please write back.

Sincerely,
Your friend,
Paul

Dear Santa Claus,

OPP's CB radio receives 15 calls

After one week of use, Staff Sergeant Alex Grainger at the Milton OPP estimates they have received about 15 calls on the emergency band of the newly installed CB radio.

He said a week was still too early to gauge the benefits of the radio and felt after a month they would have a better idea on the types of

calls being sent in. Last week the OPP officially began its experiment of monitoring the emergency band of the citizens' band radio by installing CB radios in stations between Milton and Kitchener.

"I have no doubt though, it will be a benefit in the long haul," he added.

SKATING CLUB sale at the community centre Wednesday was well patronized. Here John Gardener, 10, eagerly buys a kit on the rummage table from his mother, Pat, who is junior B coordinator for the club.

\$1,400 damage

Last Friday a car driven by Dorothy Johnson, Georgetown, was extensively damaged when it went off the road on the Given Rd. after attempting to avoid an oncoming vehicle. The car, which had about \$1,000 damage, also caused \$400 damage to a hydro pole. The accident happened Friday, Dec. 10 at 2:15 p.m.
