Repair wires cold problem

Wires leading to a streetlight at the corner of Mill and John Streets were accidentally cut on Monday during routine maintenance work by

Union Gas. Peter Petkoff, of the construction division of Union Gas, said that the company was doing valve maintenance as part of an "ongoing pro-

gram" to ensure that valves are accessible. The damage done was minor, and Acton Hydro was out on Tuesday morning repairing it. Ken Hodgson. who was doing the repair, said it would cost only "a

couple of dollars". The only

problem, he said, was the

Legion notes

by John McHugh New Year's Eve celebrations at the Branch were. once again, a huge success. On New Year's Day our President Comrade Albert Irwin greeted the many members who came down to the Branch for the annual "President's Levee". It was nice to see our Provincial Commander David Copper-

auld attending. Saturday, Jan. 22 has been chosen to entertain and dine our Ladies' Auxiliary.Men of the Branch cook, prepare and serve this banquet every year: It is our way of showing appreciation to our ladies who do so much during the

Comrade Vic Patrick and his committee have had a meeting to plan the Branch's first ever old-fashioned skating party. The date set is Saturday evening, February 5, commencing about 8 o'clock. A huge area of the lake. immediately in front of the legion, will be cleared of snow to permit the skating. A bonfire will be made and music will be piped from the patio by loud speakers. Illumination will be provided in the main, we trust, by the light of a full moon, hence the reasoning in selecting this particular date. Good food. hot and cold drinks will be provided by our own cooks who will be on hand.
