**We've updated
our TRC-52 CB radio!**

It's now called the TRC-152. You get all of the deluxe CB features of the '52' plus ... digital phase-locked loop synthesizer, for precise frequency accuracy, with 1/10 the error of ordinary crystals. Full 23 channels, no crystals to add. Universal mounting bracket, and power cables included. Can also be used as a PA by adding an external speaker. Limited quantity.
