

Limehouse

W.I. debate

By Mrs. A. Benton
The Women's Institute met at the home of Mrs. T. N. Anderson on Wed. afternoon, Mrs. Booth presiding. The meeting opened with "Let Me Call You Sweetheart". Members were advised to save Canadian stamps (not with Queen), 25 per package for a stamp stall at A.C.W.W. Conference in Kenya next summer, and quilt blocks for the Erland Lee home by Mar. 5. No one was appointed to attend the Officer's Conference in May. Membership in Halton Children's Aid is to be renewed.

Education is to be drafted. 4-H course

4-H leader Mrs. Anderson reported a class of seven taking the "Clothes for Leisure" course, and Mrs. Clow and Mrs. Muldec assistant leaders. Thank you notes were read from several sick and shut-ins. Current events were prepared by Mrs. Benton. The March meeting will be held at the home of Mrs. Hannah.

The topic, "the high cost of living and dying" prepared by Mrs. Roughley and Mrs. Anderson provoked much discussion. Mrs. Devereaux extended courtesies and the hostess served a tasty lunch after the Maple Leaf.

Mr. and Mrs. Webster of Barrie visited the T. N. Anderson's while enroute home from U.S.A.

Congratulations to Mr. and Mrs. Michael Broomhead on the arrival of their son on Tue. last week—first great grandchild for Mrs. Jas. Noble.

Roll call was answered by each giving her complete name. Each convener gave a short report on her subject. One mentioned that the Fed. of Naturalists wish the chickadee to be named an emblem for Ont.; another that Professional Development days take too much time from classwork. This led to considerable discussion and a resolution to the Dep't. of

SOME PEOPLE walk dogs, but Cindy Brill walks horses. Out for a stroll on a bright Saturday morning are Bongo, Cindy, and Fancy That. Well, fancy that!

Ballinafad

New elders installed

By Wilfred Smith
Mrs. Leo Jamieson was the hostess for the February meeting of the W.I. Due to illness and bad travelling conditions there were just eight members present to answer the roll call, which was an amusing one as each had to tell their most disliked T.V. commercial and dramatize it as seen on T.V. Mrs. Jamieson presided and welcomed the two guests who were present.

There was a lengthy discussion on quilts. It was decided that patterns should be brought to the March meeting and one chosen that would be suitable for members to make. The motion was carried that the W.I. sponsor a eucyre and penny sale in April. Particulars also to be planned at next meeting.

Two of the members who attended the Community Centre meeting were present and gave a report. The District Director reminded members that baking should be brought to the March meeting in order that it could be judged and the winners go on to compete at District level in May. The annual letter from the president of F.W.I.O. was read which reminded all of the special events to be held this year.

In the absence of the public relations convener Mrs. Jamieson carried on with the program. Mrs. Reta Shortill had prepared the motto and it was given by Mrs. McLean. The current events were given by Mrs. Given.

Mrs. Carl Volmar was a special guest as she is a Ballinafad resident, well-known to all present, she needed no introduction. Mrs. Volmar entertained by show-

ing slides of her native Denmark, which were taken when she and husband and family visited there on two occasions. They were most interesting. Mrs. McLean as W.I. courtesy convener thanked the guest for coming and giving of her time. Mrs. Smith assisted the hostess with serving of a cup of tea.

Newcomers
We welcome Mr. and Mrs. Harmon to the community. They moved into the home recently occupied by the Heritage family.

Mr. and Mrs. Buckrell, Sr. are enjoying a visit with their daughter and son-in-law in British Columbia.

Mrs. Billie McEnery and little daughter Tanya of Alberta are visiting relatives in the community. Just now they are spending some time with their parents Mr. and Mrs. Ernest McEnery here in the village.

Improved
We are glad to report that most of the people on the sick list are improving. Mrs. Slessorites was able to leave hospital on Friday after minor surgery. A.D. McEnery was expected to return home Monday of this week. Mrs. Reta Shortill is also much improved since receiving treatments at Guelph General Hospital.

The dance at the Community Centre sponsored by the men's choir was a great success. Everyone reported a good time. A group of young teenagers who call themselves the "Country Beat" supplied excellent music. This group can supply music for any age group, the younger set and those not so young. Mr. May of Streetsville was floor manager. Coffee and doughnuts were served.

There was a good attendance at church on Sunday. The junior choir delighted all with an anthem. Bud Snow on behalf of the session assisted the minister with installing the two new elders to the session. They are Mrs. Jill Jessup and Miss Marion Jamieson. Rev. Stiles, in continuing his sermons on Men of the Bible spoke Sunday on the prophet Moses.

Mrs. Viola Shortill and friend have returned from a holiday in the Barbados. Viola reported the weather was delightful, 85 degrees most of the time while they were there.

Mr. and Mrs. Harold Garton of Pembroke are visiting in the area. Yvonne is spending some time with her mother Mrs. A. McEnery while Harold has a business trip to Oshawa.

Eden Mills

Friendly Seniors meet Wednesday

By Mrs. Georgina Wright
The Friendly Seniors of Eden Mills met last Wednesday afternoon in their club room with Mrs. Anna Wilson in the chair. After joining in O. Canada the president opened with a poem entitled The Beautitudes of the Aged. Minutes and treasurer's reports were given by Mrs. Joan Fowrie and it was moved to give a donation to

the Community Club towards the use of the lights. The ladies who worked and finished a quilt recently were given a vote of thanks. Next meeting Bob Love will show slides of areas around the village. Any senior is welcome to attend.

A reading What happened to relatives by Mrs. McKelvie was enjoyed.

The meeting was adjourned to the card tables for a social hour and refreshments. Mr. and Mrs. Vincent Montgomery have had their daughter and husband and grandson, Mr. and Mrs. Victor Eberly and son, from Austin, Texas for the past three weeks.

Surprise party
Mr. and Mrs. E.A. Clifford, Guelph, was taken by surprise Saturday evening when

their two sons Trevor and Terry Clifford sponsored a dance and refreshments in the Community Hall on the occasion the 40th wedding anniversary of their parents.

Ball clubs
Friday evening the ball clubs enjoyed a dinner and dance in the Community Hall, catered by the ladies of the Community Club. Dancing was enjoyed to Funks Orchestra.

Churchill

Will try again

The Churchill Church congregational pot luck dinner that was postponed in January on account of bad weather will be held after service this Sunday, February 13. After the dinner, everyone is invited to join the young people for a sleigh ride at Charlie Thompson's. Let's hope the weather co-operates this time.

The Churchill Women will be held at the home of Mrs. Wallace Swackhamer, Wednesday afternoon, February 16 at 1.30 p.m.

Mr. Wm. Thompson is a patient in Guelph General Hospital where he underwent surgery on his right knee on Monday morning. Friends in the community wish him a speedy recovery.

Bad weather plagues crew

Cold weather, an abundance of snow and high winds have given the Region's Public Works crew more than its share of headaches this winter. Regional Engineer Don dozens of frozen water mains and there have been hundreds of individual services af-

ected by the cold weather. Mr. Morrier said he would table a report today at the Region's Public Works Committee detailing how many water breaks there have been as well as the number of man hours and the amount of overtime spent repairing breaks and removing snow.

Bookings for program

Bookings are now being accepted by the Credit Valley Conservation Authority for schools wishing to participate in the maple syrup program at Orangeville Reservoir Conservation Area.

A tour of the maple bush to observe the old and new methods of syrup making, preceded by a short slide-talk on the history of maple syrup in Ontario and methods of tapping trees and making syrup, will be conducted by

Ospringe

Snow frustrates

By Doris Fines
Roads were hazardous last week with blowing and drifting snow. Township roads were especially dangerous with white-outs, so school buses didn't venture out Monday and Tuesday. Thursday they transported the students home in the early afternoon.

The fuss about the innocent creature. Winter is not about to take its departure so soon, regardless of who sees his shadow.

Services resume
The snowbanks were dug away from the door of the local church, so services resumed again Sunday morning. Last week the church remained closed as did some other neighbouring churches. The people just couldn't make it on the country roads, or out their driveways.

It was quite an enjoyable week for the children—not so for the parents, who were getting a little fed up with the situation.

Constable Kidd visited Ospringe school on Wednesday, giving a presentation on Hazardous Products in the Home.

Why couldn't that little furry animal have stayed down underground on groundhog day? We don't need six more weeks of that kind of weather. But why all

Brownie news

By Mrs. Ellen Thompson.
Brown Owl
Imagine their surprise, as the 1st Rockwood Brownies found their Toadstool sitting on a very wintry and icy pond. Winter activities were on the agenda for this month and after a vacation break everyone was eager to get started.

much about basic first-aid from Mrs. Wynneck and packed individual first-aid kits. One evening, each managed to produce quite a long chain with crochet hooks. This test is one of the harder ones to pass. A fun evening, learning how to be good hostesses found the girls making hot chocolate and toast which they served to the others. Everyone enjoyed the surprise snack and good hostesses they were. Kristen English earned her Golden Hand.

Two new Tweenies joined us, Cathy Hawkins and Johna Osonka. They have heard the Brownie story, practised the Law, Promise and handshake. To remember to Lend a Hand, they made a clock to complete at home. A very untidy Brownie model was set straight when she visited the Tweenies for her uniform inspection. I don't think she will return this way again!

A skating party at Rockwood Ball Park was successful in spite of the cold weather and snow. The snowshoe day at Eden Mills School was postponed but Brown Owl is working to set a new date.

Fourteen Brownies have been working toward their Golden Bar. Activities included a shoe-shine demonstration, a lesson in sewing two kinds of buttons onto a snowman, and how to set the table correctly. Cheryl Baldwin completed her Golden Bar. Congratulations.

Half test
Four Brownies learned On executive

A former Rockwood trustee and Robert Little vice principal, Gary Bateman, was installed to the executive of the Royal City Toastmasters in Guelph last week. He is the educational vice president.

Meeting

The Bible Society executive is making plans for the annual meeting in the spring.
