# Curling Club news

**By Pete Vidler**  
This past weekend many of our club members were involved in bonspiels. On Friday three ladies' rinks invaded Milton Curling Club ready to do business. Kae Hansen's rink of Phyllis Patrick, Norma Robinson and Dorothy Few and Ina Mellon's rink of Anne Moore,

Shirley Hunter and Joan King played valiantly but alas finished out of the money. Nicole "Nicki" Campbell led her foursome to one game high winner. Her fellow cohorts were Fiona Fieback, Donna Cripps and Nancy Vidler. They did it by playing sheet four at Milton which can be compared to an air-

port—it has so many runways.  
On Saturday John Mintern, Don Ross and Graham Peel went to Brampton for a one-day spilt. They too won one game high winner and in the process scored in one game two six-enders.

# AMBA diamonds

The lights from the closed drag strip will illuminate Prospect Park diamonds this summer if the price is right. The Acton Minor Ball Association Monday rejected as too expensive an \$18,000 estimate for new lights. Recreation Co-ordinator for Wards 1 and 2, Anne Pickering, will find out for the association about the acquisition of the drag strip lights and poles.

Association president Marg Glenn put out a call for umpires and house league coaches for next season. Interested parties may phone Mrs. Glenn at 853-2252 after 4 p.m.

The meeting decided that there'll be three dates this spring for minor ball registration. March 26 and April 2 will start registration at the arena, and May 7 will be used for late registration.

Members also discussed the setting up of a pitchers and catchers clinic under Ray Graham with other hurlers from the industrial league.

# New industrial ball league

Acton industrial ball players took a step closer to entering an expanded Milton league when representatives of both groups met in Milton's Legion Hall last Thursday.

"We're 99 per cent in", Ray Graham local player delegate said Friday. He and Bob Jarrett went to Milton.

The Acton reps need a sponsor for the roughly 30 game season that starts May 17. Another meeting of the groups is slated for a week tomorrow when an initial schedule will be drawn up.

Milton's four teams from last year intend to include another Milton club plus one from here.

Industrial league Players for the local team will be drawn from the Sunday afternoon industrial league. "We will be having all-star tryouts for the team", Mr. Graham said.

Mr. Graham stressed that all arrangements are so far tentative.

The Canadian Red Cross, whose programs are taught at Acton Pool, has a mascot named Walter Safety. Walter Safety teaches swimmers several rules to help swimmers have a safe and fun swim.

One of Walter's rules is to always swim with a BUDDY so that you will have someone to call for help for you if you ever get into trouble while you're in the water.

Bring your BUDDY to Acton Pool on Sunday, Feb. 13, 7 to 8:30 p.m. and you and your BUDDY may swim for the price of one.
