## Halton Hills Recreation and Parks News and Views

This week we will look at Georgetown's other arena, the Gordon Alcott.

The Gordon Alcott Memorial Arena was built in the fall of 1974 and was officially opened to the public, May 31, 1975 by Mrs. Gordon Alcott and Mayor Tom Hill.

The building was built because of the overloading of the Georgetown Memorial Arena through the rapid growth of the community. During the winter months, it is full of recreational programmes to accommodate all age groups. Learn to Skate, Improve your Skating & Power Skating lessons are operated by the Recreation Department.

Public and Family Skating sessions are regularly held weekly. Figure Skating, House League Hockey and All Star Hockey for both girls and boys are held. For men there is Industrial Hockey, Non-Contact Hockey and Intermediate Hockey.

4,695 persons

With programs such as these the arena is open approximately 18 hours per day or 128 hours per week. Approximately 4,695 persons pass through our doors each week, either to participate or to be spectators.

The Community Hall is also programmed by the Recreation Department, with a Saturday Morning Club for the younger ones, Square Dancing lessons for all ages, and Learn & Improve Your Golf lessons.

The hall is also available for club meetings, wedding parties etc. The Intermediate Hockey Club also uses it for a Booster Club while their hockey games are in progress.

During the summer months the arena is used for the operation of Summer Figure Skating and Hockey Schools. There are also hours allocated for Public Skating, Shiny Hockey and casual ice rentals.

The staff operating the arena are Don Gosling, arena manager, assisted by John Knight, Dan Engleby and Cecil Peacock. The canteen is operated by Lorraine From.
