

Atoms drop first away tourney

Minor Atoms lost twice in Ridgeway March 25 and 26, dropping a 2-1 overtime decision to Grimsby and a 3-1 loss to Hamilton in what was for most of the boys their first

away tourney. With 20 seconds left in the Grimsby game Les Berry bounced a shot off the post that could have given Acton

the win. The atoms outshot their rivals through the whole game, but according to manager Bob Faseruk "their goalie was fantastic." Berry was the only Acton

New Hamburg ground Gate records in minor bant game

Acton Minor Bantams beat New Hamburg 3-1 March 28 to move into the second round of their consolation finals in the Wellington-Waterloo playoffs. The game was marred by refereeing which allowed a lot of roughness to go unchecked. Coach Cope Smith commented that "The refereeing needs improvement before players are killed." There were nine penalties called for Acton and seven for New Hamburg. Dennis Kirton opened the Acton scoring in the game,

converting a pass from Scott Timbers and Randy Smith. The first period ended there, with the score at 1-0 in Acton's favor. New Hamburg tied it up at the start of the second frame but Acton came back when Mike Staley netted the winner from Gary Lumbers and John Semene. Gary Lumbers scored the clincher with 18 seconds left, firing a pass from Randy Smith into an empty net. The minor bants go on to play Orangeville in the second round consolation.

Gate records broken

Records were set and broken at Mohawk Raceway during the weekend, as the Ontario Jockey Club's decision to close Garden City in St. Catharines and expand their Campbellville facilities continues to pay off. A season-high attendance of 9,002 Sunday watched seven of the top drivers in North America compete against each other in a special challenge event. The crowd wagered an all-time high of \$777,906 on the night.

Kings win crown

With a 5-1 victory over the Sheridan Bruins Saturday the Red Deer Kings of Alberta captured the third annual College Nationals hosted by Sheridan this year.

For Sheridan it was the end of one of the strangest hockey seasons in College history. Sheridan had been eliminated in two previous league playoff series only to be still eligible for the national because they were the host team. The Bruins moved into the final with a narrow 3-2 quarter-final win over Dawson College of Montreal and a 4-3 double overtime semi-final win over the College of Cape Breton Capers.

In the consolation final the defending champion Saints from Windsor defeated the Capers, 8-5.

Halton Hills News and Views

The Georgetown Indoor Pool, located behind the Georgetown District High School is the newest of the aquatic facilities to be under the jurisdiction of the Halton Hills Recreation and Parks

numbering 14 in all, consists of students from the High School. They are cashiers, lifeguards, instructors and assistant supervisors. The full time Supervisor is Vic Stoddart, a resident of Brampton for the last 25 years. Prior to employment by the Halton Hills Recreation Department he supervised pools for the Town of Brampton and the Township of Chingacousy. Previous to working as a full time Pool Supervisor, he was employed as a part time Assistant Supervisor at the Central Y.M.C.A. in Toronto for many years. One of his main interests is to make the residents of Halton Hills aware of the enjoyment and possible dangers of the water so as not to become a Monday morning drowning statistic.
