

Scout and Guide news

by Mark Rowe

This Saturday is April 23 and a special day for Scouts around the world. St. George's day commemorates the patron saint of the Boy Scouts. St. George was born in Cappadocia in the year A.D. 303. He became a cavalry soldier when he was 17 and soon became renowned for his bravery.

One day St. George came to Selem where the king's daughter was to be fed to a

dragon. St. George resolved that she should not die and went into the swamp and killed the dragon. St. George was typical of what a Scout should be: when he was faced with a difficulty or danger he approached it boldly and confidently and overcame it.

All good Scouts should think about the promise and the Scout law on this day. This story was condensed from Scouting For Boys by Lord Baden-Powell.

Canada or Scouts Canada are members of the Scout and Guide Mothers Association. They provide support for the two organizations of which your children are members. Please give your support by attending the pot luck dinner on April 26 at 7 p.m. Bring a dish and come out to the Scout hall for the event.

Scouter's Club for April will be held tonight at St. Alban's Church hall in Glen Williams. Save fuel and call up a fellow Scouter to see if they are going.

By Patricia Henry
This week we had the Fire Prevention Officer of Halton Hills, Garry Brassard testing us for the Fire Safety Badge.

Robert Little

With the warm weather last week the students enjoyed many outdoor activities, such as softball, football, and skipping, before school and at recess.

Standings for Interhouse leagues as at Friday, April 15 are: 1st place, Cheatin's with 2269 points; 2nd Lions with 2061; 3rd Cougars with 2000; 4th Tigers with 1992; 5th Jaguars with 1833; and 6th Panthers with 1823.

The male teachers at Robert Little played the Boys' Hockey Team last Tuesday. The teachers won with the score 10-2.

Form choirs
As the Music Festival is being held on Tuesday, May 17, Robert Little has had choirs formed. The primary choir (1 and 2) will be singing the compulsory piece "Lady May". The grade 3 and 4 choir will be singing the compulsory piece "The Shell". Both of these choirs are being led by Mrs. Silcock.

The grades 5 and 6 choir

Acton High notes

by Jennifer Rowe

Senior students are busy studying for exams as those dreaded days draw nearer. Next week, Thursday, Friday and May 2-3 are the dates. Grade 12 exams are two hours, grade 13, two and a half hours.

Last Friday Rick McArthur's Grade 10 Geography class went to McDonald's in Georgetown for breakfast. This treat was sponsored by the prize for selling the most magazine subscriptions during this fund-raising event. Two of the three top sellers also came from Mr. MacArthur's home-room. In first place was Sherry Weatherall, second Karen Chapman and third Robert Allen. Congratulations and thanks to all those who participated.

Also on Friday Acton High School was honored by a concert given by an all brass-band from Warrington England. They were in Canada on tour and were hosted during their stay by Perdu High School. The two concerts which they performed for Acton High were the last they would do while in Canada as the group was returning to England Friday afternoon. They played a selection of many different types of music displaying just how versatile a brass band can be.

Friday, Ms. Eva Sansom will be taking her Grade 12 environmental science class to the sewage disposal plant in Acton. Acton has a very updated plant for a problem which is growing in concern throughout Canada and the world.

Don't forget the dance this Saturday evening at the high school. The group is "Copper-penny" and the price only \$2.75 in advance, \$3.00 at the door. The doors will open at 8:15 and the dance will run until 11:30. Come on out for a night of dancing and good music!

M.Z.B. news

By Adele Titon

Get in the swing of things! The grade seven and eight classes will be groovin' in the past of the 50's on "Greaser Day". This Thursday should prove to be a fun day. The students and teachers will be dressed in the "coolest" of outfits as they jive and twist to the king of rock'n roll.

Now coming back to the present, last Wednesday an acting group, the Carousel Players, came to our school to present two plays. The first was called "Not Like Us" and was done for the kindergartens and grade 1 children.

The play was about children and showed that people must learn to do things together.

The act of sharing and helping was the important moral of the play. The second play was viewed by the grade eight students. "Pipeline" was a story involving a young Eskimo girl who returns home after her years of schooling to find that the proposed building of the pipeline has disrupted her home and friends. The plays were well acted and their points put across. Robert Little students were invited guests and everyone enjoyed the productions.

Trip
On Friday the grades 4 and 6 enjoyed an educational trip to the Toronto Museum and Planetarium, seeing many sights involving history and science which they have learned about in class.

Students in grade 4 to 8 have been working on entries for the upcoming Science Fair on April 27. It will be held in the gymnasium and is open for viewing by parents and other students.

The kindergartens are having a used toy and book sale as well as a bake sale this Friday, April 22. The money raised is to help finance their proposed trip to Mountsberg Conservation area. This week the classes are studying Maple Syrup and will enjoy pancakes and syrup on Friday.

The student council is selling tickets on an AM, PM radio. Money is to be used for school trips.

4-H dog club

By Elaine White

The first meeting of the 4-H dog club was held on April 14 at the agriculture office in Milton. This new club started this year and there were more than 30 people present.

The executive was elected and Nancy McKinnon is president, Bev Wingfield vice president, Terry Alkema secretary and Elaine White press reporter.

Meeting

The executive of the new Business Association has been meeting to plan its role and purpose.

Like
Acton Scouts will have an opportunity to think of St. George on their hike this Saturday and Sunday.

Eighteen Scouts and four leaders have planned to go on an overnight backpacking hike this weekend. Parents will be needed to drive the boys and their leaders to the starting point near Milton. Permission forms and menus must be presented to your scouter at Thursday's meeting. Make sure you are fully prepared for the hike.

All trees for Canada pledge kits must be returned to Scouters by this weekend. All those with pledges will be planting trees on Saturday, April 30.

Mother's Association
All mothers who have children in the Girl Guides of

Doctors arrange many adoptions

Halton doctors are placing an increasing number of new born babies in homes and bypassing the waiting list of people who want to adopt babies, according to the Director of the Children's Aid Society, Ron Coupland.

Mr. Coupland said there are over 100 babies placed that way each year in order to short circuit the waiting list that parents would face if they went through the CAS.

That caused councillor Pat McKenzie to ask if doctors were charging an under-the-table fee to the parents adopt-

ing the children. His question drew a sharp comment from Mr. Coupland. Questioned by reporters later Mr. Coupland said the prospect of doctors charging fees for providing children is something that always exists but he said he had no concrete information on which those charges could be supported.

Police charge

Two Acton men were charged by police with liquor related offences.

No money for Canada Week

Halton Hills council is willing to proclaim June 25 to July 1, Canada Week, but cannot find money in the

budget to do much else.

Finance-administration committee, Tuesday night, decided any group or organization in town who want to staff some event should be encouraged.

Councillor Peter Morris claimed it is an important time for Canada, and the national day should be marked.

Councillor Russ Miller commented, "Unless we are prepared to spend a lot of time and money on it, we shouldn't do it."
