

Paper drive, showers keep residents busy

by Joanne Turner
The April meeting of the Churchill CCCW held at the home of Mrs. J. Turner, Wednesday, April 20 started with a dessert lunch. President Mrs. Storey was in charge. The devotions led by Mrs. Frank Thompson centred around the trip to Emmaus, and Jesus' Revelation of Himself to His Disciples. Business under discussion was the forthcoming paper drive and the painting of the church kitchen. A painting bee was organized. Last month's project, a Bakeless Bake Sale, raised just over \$150. Mrs. Fosbury gave a reading entitled Gladness and Mrs. Eleanor Thompson led a couple of brain teasing

contests. The meeting closed with the Mizpah benediction.
Paper drive
The Spring paper drive sponsored by the CCCW will be held May 2, 3 and 4, next Monday, Tuesday and Wednesday. Newspapers tied securely in bundles, also magazines and cardboard bundled separately, may be brought to the storage shed at Norm Turner's precast yard.
Showers
High school girl friends held a miscellaneous shower on Sunday afternoon for Susan Somerville, who is to be married next month. Hostesses were Janice Swackhamer and Sharon Ellerby, and the shower was held at the Swackhamer home.

Neighbours on the second line held a shower on Saturday evening in Churchill community church school room for George McPhail and Valerie Mitchell who are to be married in the near future. Some lovely gifts were received and a friendly social time enjoyed by all.
Erin District High school band and choir participated in a mass band their concert held in Guelph last Wednesday. Students spent a busy day in Guelph practicing for the evening event. Erin's music supervisor Dave Davidson conducted the mass band and choir in an inspiring rendition of Jesu, Joy of Man's Desiring. Several from this area attended the concert.

Ospringle

200 people show up at roast beef dinner

by Doris Fines
The final meeting of the Ospringle Lazy Loungers was held at the home of the leader Mrs. Glen Jackson, when eight girls prepared for their Achievement Day exercises. To be held next Saturday, April 30, at Hillsburgh. Their "Sleeping Garments", pyjamas and nightgowns they made, have already been sent to the County Home Economist for evaluation.
Mr. and Mrs. Gordon Howes are baby-sitting this week. Six month old Amy Greyson of Toronto is keeping her grandparents happily occupied while her parents are enjoying a vacation.
Nice rain
Did I say I wish it would rain? Huh! We pray for rain to make the grass grow so we can get the lawn mower out so we can cut the grass.
Well, it was a nice rain, and despite the general feeling of dampness there were around 200 people came to enjoy the hot beef supper Saturday evening at Knox Presbyterian Church. That was less than usual, but the supper was just as good.
Visitors with Mr. and Mrs. Ernest Wynne and family last Sunday were, Mrs. Wynne's mother Mrs. Maurice Liberty of Scarborough, Mr. and Mrs. Maurice Liberty Jr. and three children, James Liberty and son Jeff Liberty, and Lorna

Young, all of Agincourt.
Trophy
Congratulations are extended to Gaius Gilbert who was presented with a trophy Saturday night for the best novice goal tender in the Erin House League. Gaius is a very dedicated player, and hopes to be a big league goal tender some day.
Mr. and Mrs. Vernon Stewart attended the Toronto Livestock Exchange Convention on Friday in the Sky-line Hotel. A retirement party and banquet was held in the evening in honour of Fred Campbell, the general manager of the stock yards. Mr. Campbell is a brother of Mrs. Allen Walma's father George Campbell of Barrie.
Education week
Some special events were held at Ospringle school during Education Week. Tuesday was Open House. There were speeches, numbers by the choir, and musical numbers, presented in the gym, the back wall of which had displayed on it the work of all the grades. There were many articles of interest on display also, handwork, and pioneer projects. A slide presentation on Ireland was given by Mrs. Ken Graham. It was most interesting.
After the presentation in the gym the classrooms were open to the public. A good number of parents were

present. The parents visited the school on Wednesday and Thursday to view the classes while they were being taught. The staff appreciated the interest shown by the parents.
On Tuesday morning Erin District High School sent two gym instructors and a number of students whose fine gymnastics delighted the pupils. The highlight was when the Ospringle pupils could also take part. The efforts of the Erin instructors were very well received.
On Wednesday Mrs. D. Lambden showed slides on New Zealand to the pupils. Mrs. Lambden's commentary gave the pupils a lot to think about. It was an excellent afternoon's program.
Thursday afternoon Ken Elliott and his assistant Industrial Arts teacher made a fine presentation of work done in their classes and that of other E.D.H.S. Industrial Art classes. The pupils of grades 4, 5, and 6 were thrilled with the motors and projects made by the high school students.
Friday the staff members of Ospringle were at a meeting at Rockwood and Elora in the morning, for their Professional Development day, and back to Ospringle for the afternoon. All reported excellent speakers at both places.

Mrs. A. J. Benton and Mrs. Roughley played the piano and organ for hymns, and Mrs. Benton also accompanied Christian Book for two much appreciated vocal solos. She extended courtesies, thanking Rev. MacPherson for his splendid educational entertainment and the others who contributed to the meeting. Rev. P.

Barrow pronounced the Benediction and all enjoyed a tasty dessert and visit.
Last Saturday the Limehouse Group Committee held a tremendously successful auction sale in Limehouse Memorial Hall. It began at 10 a.m. and continued until approximately 3 p.m. In spite of the rain, a rather large crowd showed up. While the men were auctioning, the ladies were holding a bake sale and manning a refreshment stand which were also an outstanding success. A food hamper was also given
A special thank-you to David Mullins of Limehouse for organizing the event and contributing a tremendous amount of time to ensure its success. A thank-you goes also to Pete Wilson and Dick Rock for being co-organizers; Peter Oprica and Jimmy Forbes for volunteering their time as auctioneers; the Cub and Scout parents for their help with publicity, food and time; all the Limehouse area

The proceeds from this auction sale are to be used in the continuing renovations of our lovely old stone Scout Hut.
This Saturday the Limehouse Cubs and Scouts will be planting trees at Waterfalls Park and following that the Scouts will be having their bottle drive.

Dog saves

The barking and nudging of a Labrador retriever saved the lives of its owners while fire swept through their Milton home during the night a week ago Sunday.
David Hargreaves and his wife were awakened by their dog, Dillon before they could be trapped by flames. "I don't want you to exaggerate this," Mr. Hargreaves said, "but the dog saved our lives. He's a hero."
Once outside the couple went to neighbors to phone firefighters.
Dillon is residing in a Georgetown kennel while the Hargreaves' home is repaired.
