THE CORPORATION OF THE TOWN OF MILTON
PLEASE TAKE NOTE that a Public Hearing will be held by the Planning and Development Committee of the Town of Milton. The meeting will be held on Thursday, May 19, 1977 commencing at 7:30 p.m. at the Milton Library Community Room.
The purpose of the meeting will be to review the Consolidated Official Plan for the Area Municipality of Milton. This document has been under review since the spring of 1974 and this meeting is one of five such hearings being held at various locations throughout the municipality.
Among the principal proposals for the Milton Urban Area are the following:
1. Completion of urban residential developments already committed as per the existing Milton Official Plan.
2. Inclusion of an expanded industrial area generally to the north of Hwy. 401 (Proposals Amdt. No. 7) thereby removing as far as possible major areas of industrial development from residential neighborhoods, while at the same time contributing to a more balanced assessment and better employment opportunities for area residents.
3. Inclusion of a basic conceptual plan for the redevelopment and rehabilitation of the Downtown Core.
4. Substantial reduction in redevelopment densities from the existing Milton Plan, particularly in older residential neighborhoods where housing stock is of good quality and possesses architectural and historic merit.
5. Establishment of basic guidelines for the ultimate development of Parks and Recreation facilities.
6. Clear delineation of the urban development and service area in keeping with the Town's servicing priorities and capabilities.
Copies of the draft Official Plan will be available at the meeting. If you are unable to attend and you wish to receive a copy of the plan, please contact the Town of Milton Planning Department at 251 Main Street, East, Milton. Your written comments in support of or in objection to this document are welcome. Please address such material to the Clerk at the above noted address.
