## Rams drop three turnout goes down

The Rams got control of their penalties last week, but couldn't get control of their games as they dropped three last week, all of them away games.

Rams visited Dundas, Owen Sound and Orillia during the week, dropping decisions of 11-6, 28-4 and 22-4. The only game in which they spent more time in the penalty box was the Owen Sound game, when they amassed 53 minutes of penalty time to Owen Sound's 34.

He added that "guys just don't seem to care, and I don't know why."

## Halton Hills Recreation and Parks News and Views

Soccer is fast becoming one of the most popular sports in Canada. Halton Hills is no exception to this soccer boom. There are well over 1000 enthusiastic soccer participants enjoying the game at both recreational and competitive levels in Halton Hills.

Certainly, much of the credit of this enthusiasm can be attributed to the time and the efforts of the local soccer executives, coaches, referees and encouraging spectators who follow the soccer players playing at any of the following locations: Cedarvale Park, Georgetown District High School, Centennial Middle School, Emmerson Park, Yoder, Acton District High School, Prospect Park, Pineview Public School and Christian Reform School.

The following are presidents of local soccer organizations:—Georgetown Minor Soccer Association—Alex Tough 877-9943, Georgetown Silvers Falcons—George Baines 877-5573, Georgetown Meteors—Irwin Wittich 877-7312, Georgetown Olympians—

Hans Koeslag 877-2769, Acton Minor Soccer Association—Colin Ager 853-2545 and Pineview Olympic Soccer Club—Jack Wingrove 877-9140.

### Fitness for Srs.

Regular physical activity is important for everyone but it's especially crucial for older people who are more susceptible to heart problems.

That's why Sheridan College is offering a six-week fitness program specially designed for the over-59 group at its Brampton Campus beginning May 25.

The program, which will run Mondays and Wednesdays from 10 to 11 a.m., will consist of very light and simple exercise designed to tone up muscle tissue and develop an overall feeling of physical and mental well-being.
