THE CORPORATION OF THE TOWN OF HALTON HILLS
Amendment to By-Law 74-51 by By-Law 76-95

EXPLANATORY NOTE

Council for The Corporation of the Town of Halton Hills deems it advisable to amend by-law 74-51 (the comprehensive zoning by-law for the former Township of Esquimes) to provide for those items in by-law 74-51 which were not finally determined by the Ontario Municipal Board at the hearing held on the comprehensive zoning by-law commencing the 15th day of March, 1976.
At the time of the Ontario Municipal Board Hearing in March of 1976, a number of representations were made by or on behalf of various individuals owning properties that would be affected by by-law 74-51. Most of the comments received by objectors related to specific properties where, for instance, a commercial use had been carried out on the property for a number of years prior to the date of the passing of the comprehensive zoning by-law, but through an oversight the land had been designated Rural or some other zone classification on the land use schedule. In the decision of the Ontario Municipal Board dated the 5th day of April, 1976 on the comprehensive zoning by-law the approval or rejection of those parts of the by-law where land had been inadvertently designated other than the existing use was simply delayed to be covered in an amending by-law. By-law 76-95, and in particular, sections 10, 12, 14, 18, 20, 21, 22, 23, 24, and 25, deal with specific properties where a zone change from the original designation in by-law 74-51 was deemed necessary.
Sections 11, 13, 15, 17, and 19 in by-law 76-95 redesignate parcels of land shown on Schedule "B" to by-law 74-51 from Niagara Escarpment (E) zone to Rural (RU) zone since after by-law 74-51 was passed by Council, but before the Ontario Municipal Board Hearing in March of 1976, the new Niagara Escarpment Development Control Area was defined and at that time it was determined that these particular parcels of land did not fall within the Development Control Area.
Another major area of by-law 74-51 was not covered in the original Board decision of April 5th, 1976 and relates to the OS1 and OS2 zones. These zones are known as open space and hazard lands. With the new mapping available from the Ministry of Natural Resources the original OS1 and OS2 zones as shown on by-law 74-51 were deleted and the zones as outlined on Schedules "B", "C", "D", and "E" to by-law 76-95 are to be substituted, as outlined in Section 9.
Section 6 to by-law 76-95 deals with lands owned by Upper Canada College and known as Lots 12, 13, 14 and 15 in Concession 11 for the former Township of Esquimes and provides that these lands may be used for the uses historically carried out on the properties by Upper Canada College.
Sections 1, 2, 3, 4, 5, 7, 8, to by-law 76-95 deal with general amendments to by-law 74-51. In some instances errors that were originally made in by-law 74-51 are corrected and in others general amendments to the by-law are made in accordance with portions of the decision of the Ontario Municipal Board on by-law 74-51 on the 5th day of April, 1976. The Notice of Hearing published with this Explanatory Note sets out the time, place, and date when the Ontario Municipal Board will consider the application of the Town of Halton Hills for approval of by-law 76-95.

CB club chose crest

Plans for future activities took precedence at the May meeting of the Acton Hill-billies CB Club and a club crest design was chosen.
The design, created by "Hayday" features a stylized hillbilly with club name in yellow, black and blue.
The club will meet as usual during the summer months and a corn roast was planned for late August.
Another transmitter hunt, similar to the most successful one held in April, was discussed and planned for fall. Further details of the plans will be on the agenda for next month's meeting, according to club executive. Also at this time availability of the new crest will be discussed.
First place Club members congratulated "Barnstormer" for taking first place at the Erin Transmitter Hunt although he was unable to attend the meeting. His CB friends made sure he heard from them via his "ears".
"Lilly" informed members "Top Dog" broke her leg escaping from an enthusiastic bumble bee. It was decided to send her a fruit basket minus insect life.
Club executive were proud to note membership was up to 48 and hope all members and interested friends will attend the next meeting scheduled for June 28 at the Scout Hall.
