THE CORPORATION OF THE TOWN OF HALTON HILLS

Amendment to By-Law 74-51 by By-Law 76-95

EXPLANATORY NOTE

Council for The Corporation of the Town of Halton Hills deems it advisable to amend by-law 74-51 (the comprehensive zoning by-law for the former Township of Esquesing area) to provide for those items in by-law 74-51 which were not finally determined by the Ontario Municipal Board at the Hearing held on the comprehensive zoning by-law commencing the 15th day of March, 1978.

At the time of the Ontario Municipal Board Hearing in March of 1976, a number of representations were made by or on behalf of various individuals owning properties that would be affected by by-law 74-51. Most of the comments received by objectors related to specific properties where, for instance, a commercial use had been carried out on the property for a number of years prior to the date of the passing of the comprehensive zoning by-law, but through an oversight the land had been designated Rural or some other zone classification on the land use schedule. In the decision of the Ontario Municipal Board dated the bith day of April, 1976 on the comprehensive zoning by-law the approval or rejection of those parts of the by-law where land had been inadvertently designated other than the existing use was simply delayed to be covered in an amending by-law. By-law 76-95, and in particular, sections 10, 12, 14, 18, 20, 21, 22, 23, 24, and 25, deal with specific properties where a zone

Sections 11, 13, 15, 17, and 19 in by-law 76-95 redesignate parcels of land shown on Schedule "B" to by-law 74-51 from Niagara Escarpment (E zone) to Rural (RU) zone since after bylaw 74-51 was passed by Council, but before the Ontario Municipal Board Hearing in March of 1976, the new Niagara Escarpment Development Control Area was defined and at that time it was determined that these particular parcels of land did not fall within the Development Control Area.

Another major area of by-law 74-51 was not covered in the original Board decision of April 5th; 1976 and relates to the OS1 and OS2 zones. These zones are known as open space and hazard lands. With the new mapping available from the Ministry of Natural Resources the original OS1 and OS2 zones as shown on by-law 74-51 were deleted and the zones as outlined on Schedules "B", "C", "D", and "E" to by-law 76-95 are to be substituted, as outlined in Section 9.

Section 6 to by-law 76-95 deals with lands owned by Upper Canada College and known as Lots 12, 13, 14 and 15 in Concession 11 for the former Township of Esquesing and provides that these lands may be used for the uses historically carried out on the properties by Upper Canada College.

for approval of by-law 78-95.

Day care fee per cent

per diem rate in all Regional day care centres will be increased from \$7.70 to \$8.75.

This eight per cent increase over last year's fee was approved by members of the Hallon Community and Social adult Services Committee at a meeting yesterday morning despite concern by some councillors that the increase is hitting the wrong people.

Milton councillor Jim Kerr suggested the \$1.05 per diem increase was unfair to many ratepaters.

As an alternative, Mr. Keri said the Region's day care centres should be operated on a "pay as you go" basis, which would delete the 25 cents a day administration costs and allow the per diem to be reduced to about \$8.50. Oakville councillor Ron

Planche was also concerned over the size of the per diem increase. "I wouldn't mind seeing

go up six per cent, but I think eight per cent is a bit high," Mr. Planche said. He questioned what's going on in the Region's treasury department, but Dennis
