

Jubilee theme IODE meeting

A pot luck supper was enjoyed by members of Lakeside chapter of the I.O.D.E. Tuesday of last week, prior to their meeting in the Legion.

Velma West gave two very interesting readings.

Proceeds of the Silver Jubilee tea held in the month, in the amount of \$173, will be sent to headquarters to assist in the purchase of the National Jubilee gift of 30 prints by Winifred Petchley Marsh for the museum in Yellowknife. People of the Willow, a book by Mrs. Marsh, is to be purchased by the chapter to be donated to the Acton Library.

Isabel McDonald reported on a trip to Ontario Place to hear a concert by a young peoples' band from Thunder Bay, on their return from a 17-day trip to England playing concerts in connection with the Jubilee celebrations. Her two granddaughters are members of the band.

Grace Nelles reported on the national annual I.O.D.E. meeting held in Winnipeg, which she attended. The

I.O.D.E. has 18,000 members across Canada and each province was represented at the meeting.

"Unity of Purpose" was the theme and reports given greatly enthused members about the broad span of work offered by the organization. The north holds the answer to Canada's future and there is much work being done through the efforts of the I.O.D.E. A day care centre and the training of native people to operate it, travelling library with books and tapes in their language are new projects, as well as serious involvement in first aid equipment and training. Education and health, both in this country and in underdeveloped countries throughout the world are two areas in which all members are keenly interested.

Members of the chapter will be assisting at the Halton Manor garden party on June 18 and also plan an evening at Mohawk on June 20.

The meeting closed early so that members could watch the television replay of the Queen's Thanksgiving service at St. Paul's cathedral.

Hillier—Burt nuptials on parents' anniversary

On his parents' 31st wedding anniversary, May 20, Floyd Hillier wed Barbara Ann Burt in St. John's United Church, Georgetown.

The bride is the daughter of Mrs. Kathleen Burt of R.R. 1, Georgetown and is an assembler at Smith and Stone. The groom, of 7 School Lane, Acton, is the son of Mr. and Mrs. Harold Hillier of Point Leamington, Newfoundland.

Dr. Hallett Llewellyn officiated at the double ring ceremony with Mrs. Marjorie Williams of Stewarttown providing the organ music and Mrs. Kathy Powell of Lowville as soloist.

Escorted down the aisle by her brother, Donald Burt, the bride wore a satin royal dress with a voile overlay embroidered with white pearls. Her long full sleeves were gathered at the wrist, and a train fell from the waist of the A-line skirt. An arrangement of white roses held a double layered full length veil. She carried pink roses and white carnations and wore a gold amethyst pendant which was 80 years old.

Matron of honor was Kathy Burt, sister-in-law of the bride. Bridesmaids were Mrs. Marjorie Douglas, sister of the bride, from Acton and Miss Beth Carmichael, a friend of the bride from Georgetown. Flowergirl was Denise Poirier of New Brunswick, niece of the groom.

The bridal attendants all wore floor length blue dotted swiss dresses trimmed with white lace and long puffed sleeves. They all wore white picture hats and carried country garden bouquets.

Ed Hillier was the best man with Brian Hillier and Glen Hillier as ushers and Jody Hillier as ring bearer. All are brothers of the groom. They wore dark blue tuxedos with velvet trim on the jacket and pants, and ruffled blue shirts with dark bow ties.

At a reception and dance held in Ballinfad community hall, the mother of the bride received her guests wearing a floor length pink lace gown with a corsage of pink roses and a white orchid. The mother of the groom wore a floor length blue gown with a yellow orchid.

Salvation Army services here

Attendance has been good at the Salvation Army services held May 29 and last Sunday in the United church here. The Salvation Army from Guelph conducted the services for local people.

The Songsters, a singing group from Guelph, took part in the service in May.

The Sunday School sessions in the Y have also been well attended with a roll of 31. Sunday School is held in the United church on the Sundays that there is a church service there.

Sunday school is over now for the season but will resume again on Sept. 4 in the Y.

Actonians do well Georgetown games

One Acton resident figured in the prize list at the Speyside Highland games at Georgetown Saturday and another came as close as you can come without getting a prize.

Chuck Mitchell was third in the Scottish version of the shot put, done with a large rock, to get his prize.

Scott Malcolm played in the

Auction success

The Y's Men auction was another financial success this year, raising more money than it did last spring. The money is used for the normal operations of the club and the Y, primarily. Profits will be allocated in next season's budget.

The Y's Men are also selling firewood as a fund-raising project.

Acton Rotary club's two delegates were among 15,000 registered for the international Rotary convention in San Francisco last week. President Don McDonald and incoming president John Arnold were there with their wives. They spent three days at the convention itself and the rest of the week at Reno and on a tour down the coast of California to Los Angeles.

Delegates from all over the world attended the meetings in the huge convention centre in San Francisco. Gateway to Service was the theme for the gathering and there were excellent and inspiring speakers, the delegates report.

They saw several celebrities during their holiday and got Sonny Bono's autograph on the plane home.

Acton relatives went to Mount Clemens, Michigan, for the marriage of Tim McKee and Lenore Dunsmore. The groom is the son of the former Joan Coles of Acton and Barry McKee. Among the many guests were

Mr. and Mrs. Ernie Coles, Mr. and Mrs. Paul Coles and Paula of Guelph, and from Acton Mr. and Mrs. Hartley Coles, Mr. and Mrs. Tim Coles and Marianne Coles.

Mr. Brooke Harris, a 1977 Nuffield Scholar from Drayton, Norwich, Norfolk, England, visited with Mr. and Mrs. Mac Sprowl last weekend. Mr. Harris is the Managing Director of Manor Farm at Drayton, Norwich, which comprises 1,100 acres and 700 head of cattle. Mr. Sprowl was a 1954 Nuffield Scholar to the United Kingdom and presently is one of the three Canadian directors of the Nuffield Scholarships.

A busload of friends from the curling club went Sunday to Niagara on the Lake for a very special Elizabethan dinner in The Buttery. There were about 46 who enjoyed the unique experience, eating meats carved from huge roasts and a whole pig, drinking mead and being hauled before the king to answer for supposed offences. They had a great time.

Missionary Society Cool day forces Knox picnic inside

The June picnic of Knox Women's Missionary Society, afternoon auxiliary, was held at the Manse. The president, Miss Isabel Anderson, welcomed all those who were present and opened the meeting with prayer.

The poems which she read, Balm of Gilead, Not Everyone Hears, and Making a Garden, spoke of the opportunity we have of finding God everywhere. The familiar hymn What a Friend we have in Jesus was sung, and Mrs. Hansen read from the Bible Psalm 125.

In the absence of Mrs. Sprowl, who had helped to plan the meeting, contests were conducted by Mrs. McKenzie and Miss Anderson.

A bounteous pot luck luncheon was enjoyed at the conclusion of the meeting. The ladies chose to sit indoors because of the coolness of the air on the afternoon of their June picnic.
