**Knotty Pine Pickwick Panelling**

A wall cover-up that lets you be a downright show-off.

Knotty white pine panelling, chosen especially for its dominant knot and grain characteristics, is cut from Ontario white pine trees. Individual planks are then deeply embossed with the pickwick pattern for a truly unique and enchanting look. Left unfinished, this already beautiful wall panelling permits you the creative opportunity of finishing it in the colour and lustre of your choice. Knotty Pine Pickwick Panelling has a unique look that will enhance the appearance of your home or cottage.

**Easy to apply**

The 1" inch thick planks are available in 6" or 8" widths.
