

Belwood Vanities

For the look of luxury... at Sale Prices

These classic style vanities are constructed from warp and dent resistant particle board, finished with a beautiful, durable finish. Doors are moulded from a special styrene material that is unaffected by moisture. Select from antique white, or walnut finish as available from stock. The 18" wide vanity is 16 1/4" deep, one door. The 24" and 30" units are 18 1/4" deep and feature two doors. Prices are for vanity base. Top and faucet are extra.

All vanity prices are cash & carry.

Micafil Insulation

Easy-pouring Micafil insulation makes adding extra insulation to your attic simple, clean and economical. Micafil flows freely into all nooks and corners for complete protection against heat loss. It levels easily to create a uniform insulation barrier that conserves household warmth and precious fuel dollars. Micafil is dust-free and light-weight for clean, non-irritating installation.

Requires no special tools... pours easily and reduces heat loss in the attic.
