

Rams beaten twice, looking for players

A tired Rams squad bowed 22-9 Thursday to the visiting Huntsville team at the arena, falling behind 9-1 in the first period.

George Artem and Steve Wilson are still sidelined with injuries, but not even their presence could have saved the game.

Bruce McPhail was Acton's high scorer for the game, with three goals and one assist. Ron Turkosz had one goal and two assists for three points. Acton's other goals were registered by Mike Luty, Shane Withers, Gary Delong, Rick Van Fleet and Mike Moyer. Assists went to

Mike Rippon with two and Kevin Marcoux, Pete Luty and Van Fleet with one each. The Rams were only outscored 13-8 in the second two periods, but it was all over after the disastrous first. The last time the two teams met, Huntsville needed an overtime period to shade the Rams. Artem scored seven goals in that game.

Lose Friday
The team lost Friday to a powerful Orillia crew by a count of 22-3. The Rams were simply outclassed by Orillia, who beat them 22-4 in their first encounter.

Acton goals went to Ron Turkosz, who netted two, and to Fred Allen. Assists went to Turkosz, Shane Withers, Gary Delong, Pete Luty and Rick Van Fleet.

The Rams have a line on some new players, and rumour has it that when the new players come, some cuts will be made to clear some of the deadwood from the Rams' roster.

The Rams will be returning to full strength for the first time in weeks soon, as Artem will dress for Thursday's game and Steve Wilson is also a possible starter. Wilson will most likely be playing when Bolton comes to the arena June 27.

The next home game for the Rams is tomorrow, Thursday, when the Orillia squad comes to town. Bolton, the only team the Rams have beaten so far, will be here Monday evening.

PETE LUTY DELIVERS a check to drive his opponent off balance in Rams-Huntsville game Thursday. Rams play Orillia at the arena tomorrow at 8.30 p.m.

Halton Hills Recreation and Parks News and Views

This summer, a multitude of activities are available for adults and teens to participate in. Some of these activities are not as visible and as organized as others, yet they offer similar opportunity for enjoyment. Examples of these less structured activities range from cycling through countryside roads to overnight camping at Terra Cotta Conservation Area. They include fishing in local rivers, jogging through the back streets and picnicking in parks such as Cedarvale, Prospect, and Hornby.

local pools and/or waterfronts, or an exhausting game of soccer.

Activities for teenagers are many and varied. Again they may wish to become involved in "back-to-nature" activities such as backpacking, hiking, camping, fishing and cycling or they may choose to attend the pools for swimming, the arenas for roller skating, ball hockey and ice skating, or the tennis courts for tennis. Some may choose to get involved in Activities' centres at the Georgetown District High School or the Acton Scout Hall. Both places and programs will be flexible enough for all to enjoy mingling with their friends in a variety of activities—dances, trips, athletics, hiking, etc.
