

Sugar and Spice . . .

(Continued from Page 4)

Recriminations:

"Stupid idiot!!!"

"Why don't you get the dam' dinner yourself?"

"Cretin. Imbecile. Jerk."

"Howuzidano?"

Feelings, as they put it, were running high. But what really made the fit hit the shan was that, while she was running around declaiming to the entire neighborhood that I'd ruined the wallpaper and the new paint, I calmly, like a reasonable man, retrieved the pot full of crisp, black fries, loaded a plate with them and chicken

livers, and began eating my dinner in a dignified fashion.

This was when I was unable to hang on to her. She seized the plate of greasy liver and doubly greasy chips, and flung them on the floor. She tried to fling me after them, but her hand slipped on my greasy shirt, flew back and gave herself a belt on the lip.

Today everything is back to normal. She has a fat lip, but she's got her kitchen floor washed, a task she wasn't looking forward to. No girls, I didn't do it.

And that's why my sympathies are with Mr. Trudeau. It's hard for an old turkey to hang on to a beautiful chick. Especially if she's going yoga.

All taxpayers share burden

To the Editor:

The problem of the building of the proposed Halton Hills (Georgetown) Library affects all the taxpayers of Halton Region, as we all share the tax burden. I am also concerned about the location.

It seems to me that the Cedarvale property was purchased as parkland, and in my opinion, should be kept as such, especially when existing facilities are already available. I am getting a little sick of our elected representatives throwing the taxpayers' money around as if it grew on trees.

When is it going to end? Self-granted raises in pay, new Regional Headquarters (when Regionalism itself is in some doubt).

It would seem everyone is practising

restraint except those people we elect to protect our interests. Spending now to save later is a false premise. It sends businesses, families and big cities into bankruptcy.

William A. Johnson

Cancer campaign is close

Dear Editor:

The Halton Hills Division of the Canadian Cancer Society would like to extend very sincere thanks and appreciation to everyone in Georgetown and Acton who has contributed in making our 1977 fund-raising campaign, held in April, such a great success.

We are very happy to announce that we have collected an amount of \$27,286, up until this time, and, we are still hoping to attain our goal of \$28,000, with some future donations. The campaign itself was a total success as a result of a great team effort. We were really pleased to realize how many hard-working and devoted volun-

teers we have working in our area to support our cause.

Unfortunately, it is impossible to thank and mention every volunteer's name. We had approximately 600 great people, who gave freely of themselves and their time to join in the fight against cancer.

And, of course, a very special thank you to all of the residents and employees in our towns who made generous contributions to our fund. Eliminating cancer is a community responsibility and every citizen can share in that goal by supporting cancer research. It is through the annual campaign that the funds are raised for research

in Canada.

We thank you all again for your interest in our work, and for your financial support in fighting the battle against this disease. Cancer CAN be beaten.

If anyone has not made a contribution to one of our canvassers and wishes to do so, please contact the Cancer Society Officer at 877-1124.

Deanna Butwell,
Halton Hills Division,
Canadian Cancer Society.

An unknown vehicle caused about \$50 in damages, according to a parked car belonging to Donald McIsaac in the Dominion Hotel lot last week.
