

Minor soccer news

By Richard Kilpatrick
Rep league
 Acton atoms shut out Hillsburgh 3-0 July 5 with goals from Dave Thomas, Peter Wehby and Dave Adsett. This team is going from strength to strength and the performances of John Lloyd and Gordon Mitchell, are worthy of a mention.

Acton and Orangeville mosquitos fought to a 2-2 tie last Wednesday, July 6. This was undoubtedly the mosquitos finest game to date, a game which Acton dominated and should have won handsomely. Scott Allonby and Pierre Himashazi scored the goals and an outstanding goalkeeping job by Danny Gibson rounded off an excellent performance by the entire team.

Milton were hopelessly outclassed July 7 by the Acton peewee squad, losing 9-2. Skillful soccer gave Acton goals galore from Gary Lumbers with three, John Semence with two, Dave Mitchell with two and Andy Ellerby with two in a game which Milton will want to forget.

Acton Bantams again found themselves without a game as Rockwood called the scheduled game of July 11 off at short notice. Apologies for

any inconvenience caused.
House League
Squirts
 The weather caused the Tornados vs. Tigers game to be cancelled. The Angels lost by default to the Gunners when they failed to field at least eight players, which is the cut off point for a game.

Atoms
Rifles 2 vs. Rockets 3
 It was a good game from two well matched teams. Rifles two goals from Shawn Taras and the Rockets three winners from Dave Lawrence, Pierre Bollert and the third from Paul Wayne, shooting from the penalty spot. Duane Hordyk and Paul Wayne had strong games for the Rockets, while good play from Steven Hoy and Kevin Galloway helped to keep the Rifles in the game.

Rockwood 5 vs. Hillsburgh 1
 A convincing win for Rockwood, who were the better side. The goals for Rockwood came from singles by Dave Adsett and Chris Hughes, and a hat trick by Tommy Woodward. This win was helped along with strong performances from Tommy Mackay and Neil Wallace.

Mosquito
Raiders 1 vs. Rovers 0
 Jamie Taras broke the

deadlock from the penalty spot when he scored the only goal in what was a non-stop struggle from start to finish. It was an excellent game to watch, with each player giving his best. Great play boys.

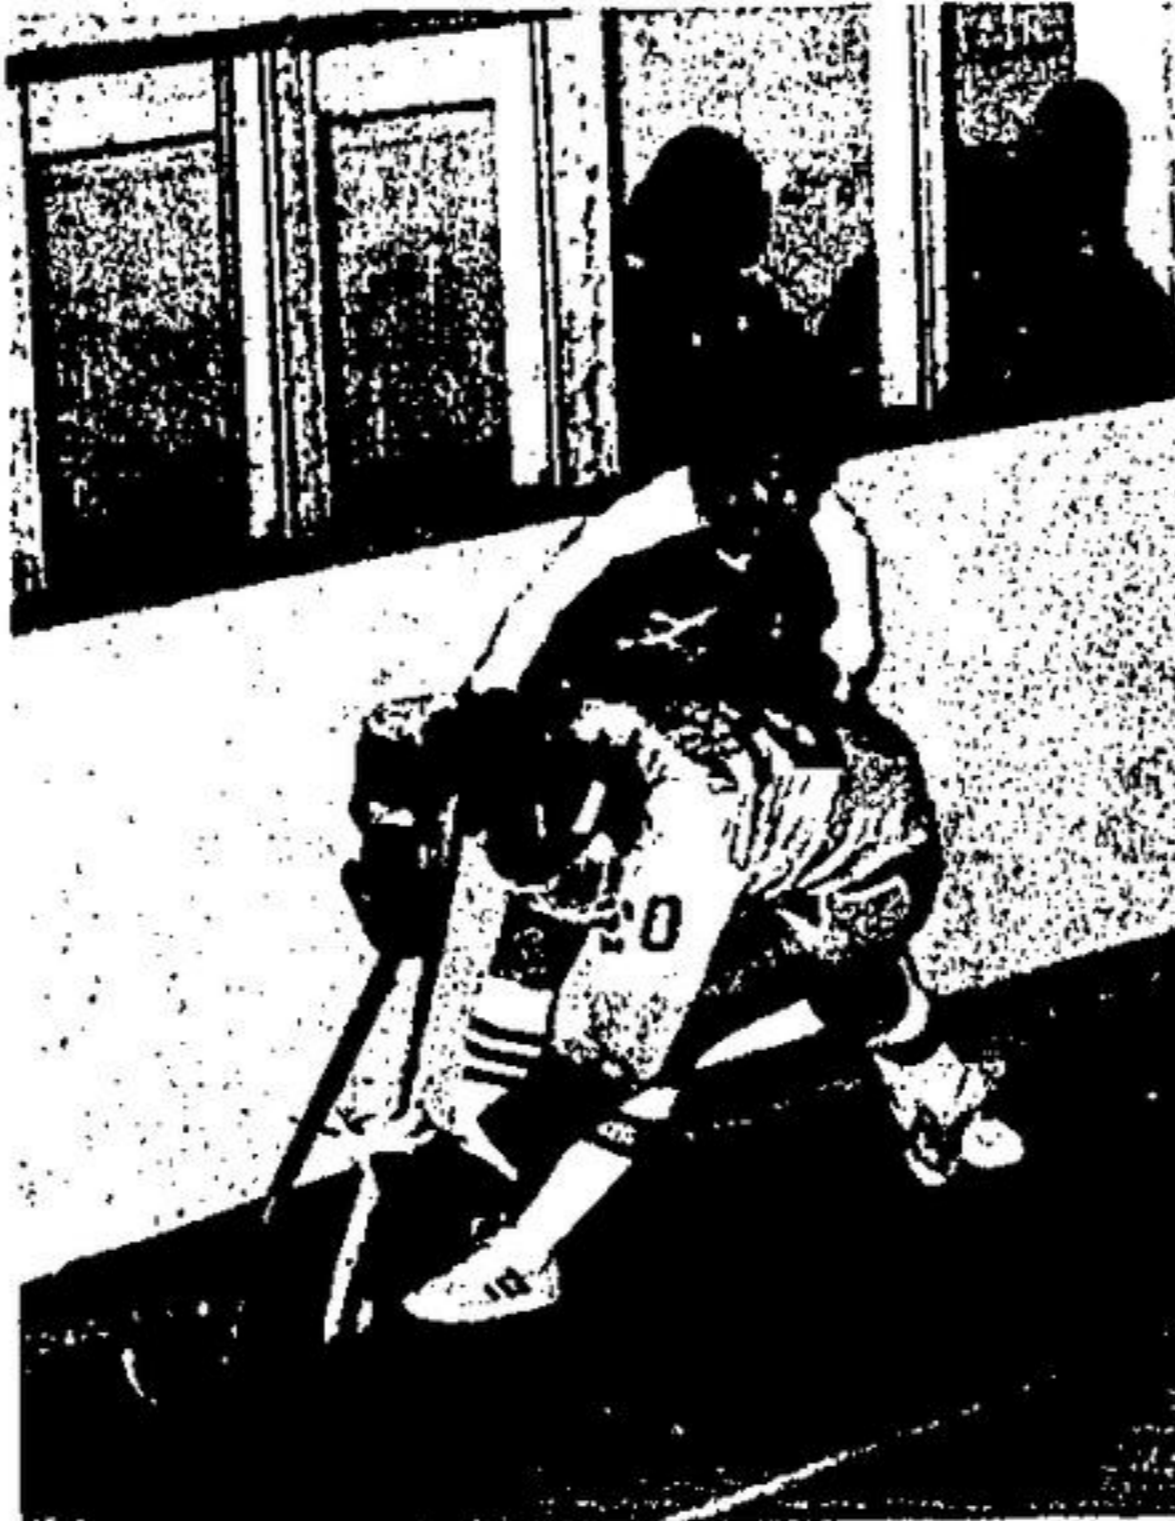

Flyers 1 vs. Rangers 3
 A short handed Flyers team fought hard, to no avail when they were beaten by a full strength Rangers' side whose three goals came from Scott Allonby, Ian Sawden and Brad Youmans. Terry Cianfarani scored the single Flyers' goal. Good intelligent performances from Mark Armstrong and Ian Sawden for the Rangers.

Home schedule
Rep games
 Peewees vs. Hillsburgh, Thursday, July 14, at the high school, starting at 7 p.m.

House league
Squirts: Thursday, July 14,
 Angels vs. Tornados, at Prospect Park and Tigers vs. Gunners, M.Z. Bennett, both games at 7 p.m.

Atoms: Monday, July 18,
 Rockets vs. Rockwood at M.Z. Bennett, at 7 p.m.

Mosquitos: Tuesday, July 19,
 Rangers vs. Raiders at M.Z. Bennett, and Rovers vs. Rockwood at Prospect Park. Both games open at 7 p.m.

RAMMED! Rick Van Fleet takes his Owen Sound opponent into the boards in the tight checking game Thursday. The hard game did not translate into penalties, as the Rams picked up only 29 minutes in the box.

Congratulations to the following people who have successfully completed a national lifeguard course here in Halton Hills: Blair Thompson, John McFarlane, Paula Stewart, Heather Clarke, Karen Hinkley and Lois Gummer.
 Eleven people attended and passed a recertification clinic for National Lifeguard. They are Cathy Ashley, Susan Ancker, Elizabeth Cooper, Lauralee Morris, Andy Long, Karen Whickson, Theresa Callaghan, Debbie Iglesias, Lisa Woods, Robert Heaton and Pauline Heaton.
 Fairy Lake is quite a busy place during the summer months. This can cause concern for parents with small children. However, there is some comfort in knowing that the lake is not a total hazard: there is a beach area which is guarded in the afternoons and a wading pool for the smaller.

There are many other areas which have been used in the past as swimming areas, some of which are quite dangerous, and I would like to point out some of these areas in hopes of preventing water accidents this summer. The area near the wading pool is used by a lot of teenagers. This area is not guarded and there is a large drop off just a few feet from shore. As a result, people mistake this for a good diving area, diving from the edge, or stumps and even picnic tables. However, the water is very murky and many obstacles besides the seaweed, such as rocks, logs, and bottles etc., are found there. These obstacles could be very dangerous and should be avoided.
 Sudden drop offs in the lake could be dangerous for non-swimmers. One is located across from the wading pool in Lakeview Subdivision and another at the end of Elmore Drive. If you are going to swim at your own risk in these areas, may we suggest that you supervise your children and perhaps mark the drop off areas with a javex bottle.
 The beach area and the wading pool will be open with supervision starting July 1 from 1:30-4:30 p.m. daily.

Stakes at Greenwood

Things are speeding up at Greenwood Raceway as the track presents four stakes races in the next week, starting with the \$10,000 Standardbred Futurity Stakes for three year olds, running July 15.
 On July 16 another Ontario Sires stakes goes off, this time for two year old fillies, who will race for an estimated \$50,000.
 Next Wednesday, July 20, three year old fillies have their chance in the Ontario Sires stakes, again for \$50,000.

July 22 is the date for three year old fillies to trot in The Standardbred Futurity Stakes, for \$10,000.
Royals 36-13 over Angels
 Both the Royals and the Angels showed up short-handed for their house league peewee girls' softball match this week, but the game went on anyway, the Royals coming out on top of a 36-13 count.

You've heard it before: You've got to walk before you can run. It's true. So let's get movin'.

Tennis talk

By Mark Hurst

On Saturday, July 9 The Acton Tennis Club held its third successful round-robin mixed doubles tournament. Approximately 30 players participated in this event.
 A barbecue concluded the afternoon's activities after everyone had enjoyed five matches consisting of four games each. Two draw prizes

THERE ARE ADVANTAGES to being taller in the "keep away" game played at the Recreation Department Day Camp campout Friday morning. Both these girls were reaching for the playground ball and it's easy to figure out who caught it.

Halton Hills Recreation and Parks News and Views

Playgrounds in both the Acton and Georgetown areas recently got underway and besides the normal activities of crafts, games and sing-songs that take place on a daily basis at these playgrounds, there occurs a number of specially planned activities.
 One major group of these special activities is trips. Trips are usually full day affairs with the children boarding a bus at approximately 9:30 a.m. and not returning till mid-afternoon. The places which the children may visit vary from year to year and this year we have decided to travel to Bronte Creek, the Royal Ontario Museum and Marineland. Hopefully these places will serve the purpose of being fun, exciting, and a learning experience for everyone involved.
 Other activities which are planned include a puppet show which is particularly for those children aged five.

your comments and suggestions.
 Our club membership continues to grow and it is likely that it will exceed 300 before the season is over. Plans are still being finalized for the reconstruction of four new courts, including extended fencing and improved lighting, and hopefully this project will begin in the near future.

The club has received a number of complaints regarding the behaviour of people using the courts. Here is a reminder of some of the courtesies which all tennis players should be observing: No yelling or swearing on the courts; if your ball rolls onto a neighbouring court, do not chase after it, but wait until play has paused on that court before asking for the ball and do not walk behind a court when play is going on.
