

a new mount
gives
new life
to your
old gems!

RE series

Your jewels are too precious to lie unworn because of dated or unwearable settings. Let us show you how our special gem-resetting service can turn your outmoded pieces into rings you'll be thrilled to wear.

We can combine stones from several pieces... re-set a single gem... even add new stones! Prices are surprisingly modest. Come in for a free consultation. No obligation, of course.
