## Datsun B 210

It has more than economy going for it.

The Datsun B 210 Hatchback has the sleek look and a newly created grill that invites a second glance. The sporty interior, reclining front bucket seats, attractive console and simulated leather on the steering wheel and shift knob invite you inside.

You don't have to change your lifestyle to get away with your friends in an economical B 210. Note the obviously exciting features then take a bow for your wise choice of solid automotive value. Minimum maintenance and great gas mileage are but two of its many outstanding virtues.

## Datsun B 210 Special

Price isn't all that makes it special.

The price is especially good, of course, but it's not all that's special about the car. There's the lively overhead valve engine that's renowned for being very stingy with gas. The safety of power-assisted front disc brakes. The protection of Datsun's efficient rust-inhibitors. The extra-value features like front bucket seats, and a speedometer that registers your speed both in mph and km/h, chrome outside mirror and flow-through ventilation. And there's all that room inside for you and your friends and all that space in the trunk for your gear. Add it all up and you'll get a very special car. Especially at the price.

## Datsun F-10 Out-in-front with front-wheel drive.

The Sports Hatchback's sleek outside styling is matched on the inside by reclining bucket seats and a 5-speed synchromesh transmission. Its standard equipment doesn't stop there. You'll find more special features, like a tachometer, electric clock, AM/FM radio, console box, a competition steering wheel and radial tires.

With over 52 cubic feet of cargo space, the F-10 is one of the few

true Station Wagons that can offer gasoline economy plus the safe and nimble handling of a front-wheel drive.

The Sedan's gas-saving 1.4 litre engine is transverse mounted to give driver and passenger lots of leg room and the effortless 4-speed transmission brings back the fun of driving.

## Datsun 710 Room and comfort for your entire family.

Datsun's new 710 2-door sedan gas-saver gives you plenty of spirit without the excess cost. Its quick get-up-and-go comes from a tough 2 litre overhead cam engine. Whether you're using its silky-smooth four-on-the-floor, or the optional three speed "T" stick automatic transmission, you'll get great performance.

When you get the Datsun 710 4-door sedan, you get interior comfort, beautiful styling, engineering excellence and the added bonus of economy. You get comfortable cloth covered, reclining bucket seats,

soft-to-the-touch wall-to-wall carpeting and a smart console box. The independent front suspension and semi-floating rear axle will smooth out your ride.

Wagon features like fold-down rear seat and swing-up rear door, combine with super engineering and money-saving economy to make this Datsun wagon your kind of car at your kind of price. The Datsun 710 station wagon. The Datsun that gives you what you expect from it...room, comfort and performance.
