Datsun 280 Z A new peek in a great tradition.

Outside and in, this Datsun stands alone. Styled by masters, this aerodynamic design is the envy of the motor world. The pride of its owners.

Both the 2 seater 280 Z and the 4 seater 2+2 deliver performance after performance that demand bravos. Under the new functionally-louvered hood gleams its powerful 2.8 litre overhead cam six-cylinder engine that puts 170 gross BHP at your every command.

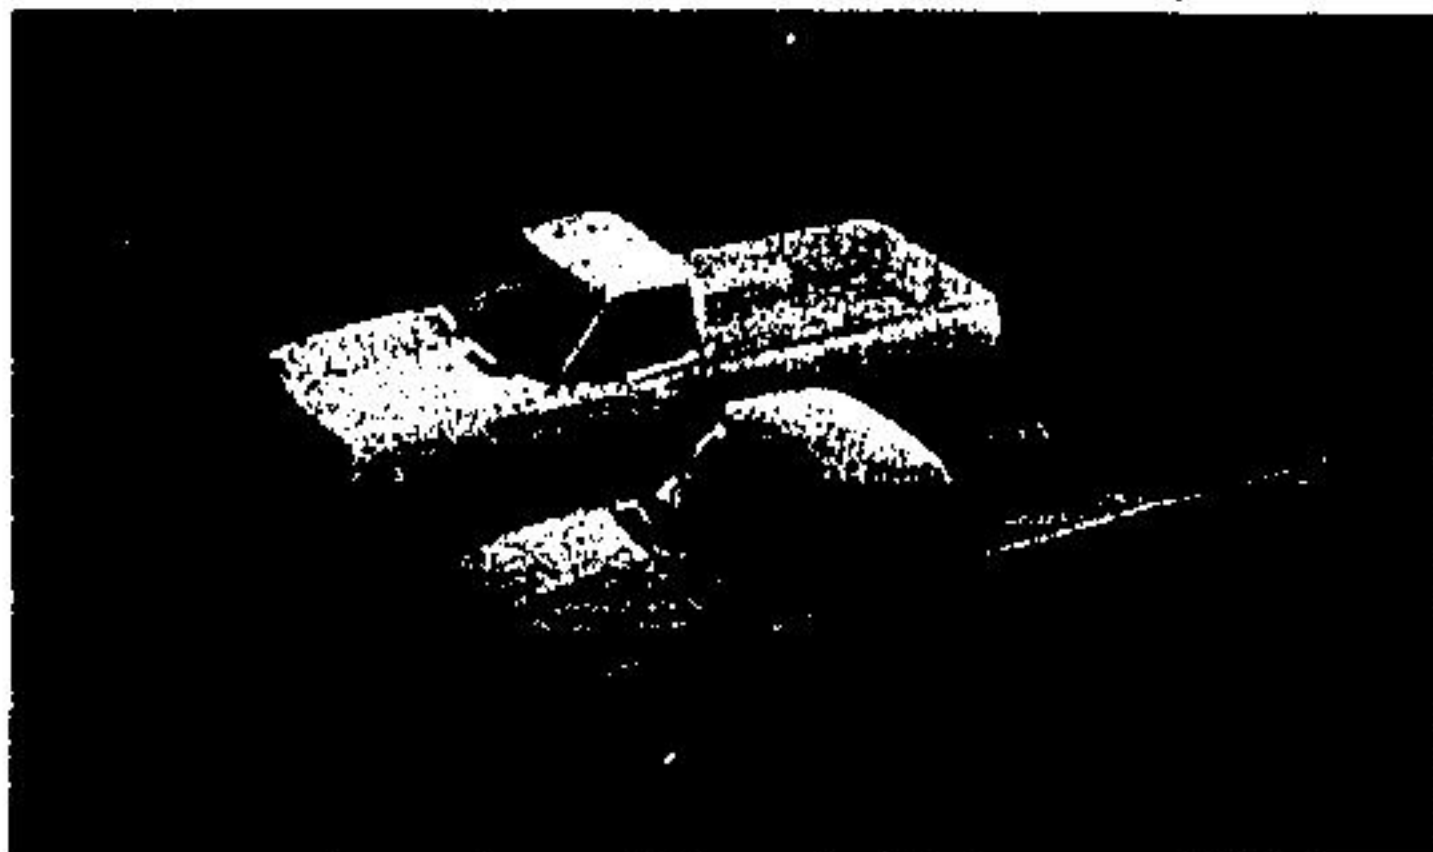

Step inside and see the non-glare padded dash, with its sensitive instrumentation for piloting this dream machine. Sit in the deep-cushion, high-back reclining bucket seats, and enjoy the plush, deep-cut-pile carpeting throughout.

Marvel at Datsun's remarkable standard equipment... the tachometer, low-fuel and brake-warning lights, AM/FM radio, power antenna, padded-grip steering wheel, passenger sunvisor mirror, non-glare windshield wipers, and more.

The Datsun Sportrucks

They pay off in so many ways.

The box at the back of the Regular Sportruck is over six feet long and over 28 square feet in area. It lets you take on a lot of things—and make fewer trips. On the Longbox the load space is over a foot longer and lets you take on even more. The 2 litre OHC engine is built to be responsive and dependable.

Sportrucks pay off in comfort too. With a ventilation system that keeps fresh air flowing through the cab even with the windows up. Independent front suspension that smooths out rough roads. A heater/defroster system and 2-speed wipers that make driving in rough weather so much easier.

And for added convenience you can have an optional 3-speed automatic transmission.

Extra features really make all the difference in our Deluxe Cab. Features like fully-adjustable reclining bucket seats, that let you really stretch out. A carpeted cab with opera windows over the extra 10" of inside storage space behind the seats. A large console and armrest between the seats. This year an optional 5-speed transmission is available in the Deluxe Cab.

Introducing the 200 SX... New Datsun. New Luxury.

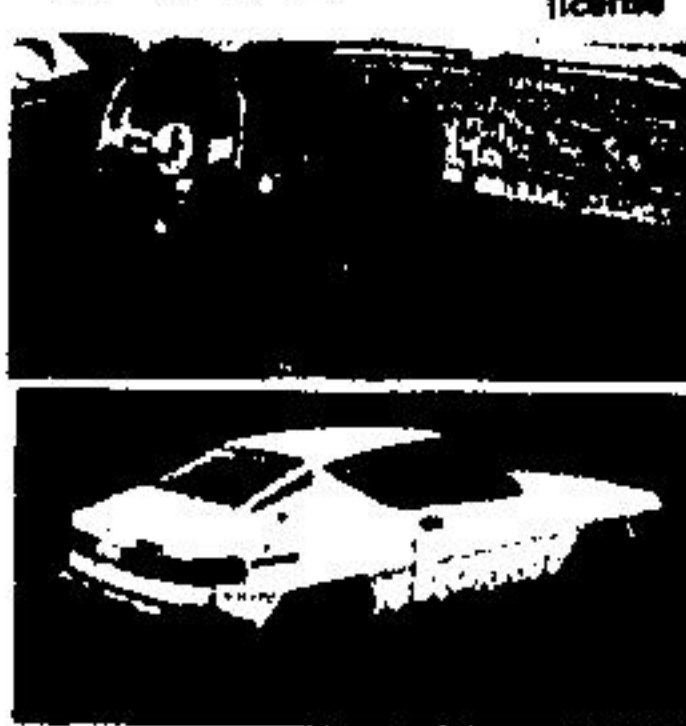

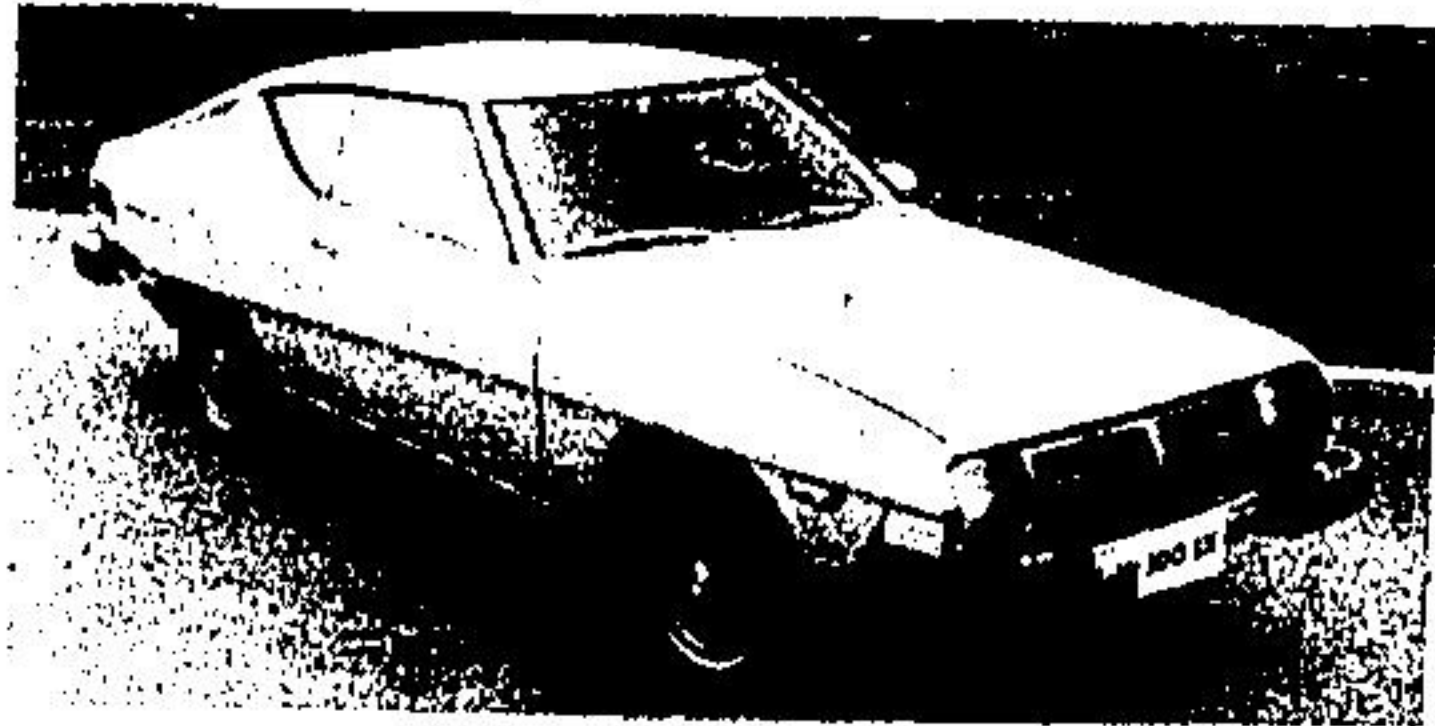

The dazzling Datsun 200 SX is anything but ordinary. It's a personal road machine with the luxury appointments, sporty performance and styling in the famous "Z" tradition. Beautiful, functional, economical. Perfect in every way. The elegant new look of Datsun is yours to enjoy.

Step inside and feel its elegance. Grip the sports steering wheel. Check out the non-glare padded dash, with its tachometer, water, oil, fuel, and alternator gauges. Let the sound of the AM/FM multiplex three speaker radio play over your ears. Illuminated headlamp and wiper switches, and a cigarette lighter are all added touches of convenience and styling. Relax in the fully reclining cloth covered, deep-padded bucket seats. Feel the wall-to-wall cut-pile carpeting.

Lift the hood and see the power machine that gives the 200 SX its oomph! A precision built 2 litre engine that produces 110 b.h.p. Choose from the five speed standard or the optional three speed automatic stick shift.
